College writing, also called academic writing, is assigned to teach you the critical thinking and writing skills needed to communicate in courses and in the workplace. To acquire and practice these skills, you are asked to write many different types of assignments under different circumstances. Sometimes your instructor will assign a topic and define the audience; sometimes you will have to define and limit the topic and audience yourself.

What is College Writing?

In requiring the guide for each and every student, we hope to provide all Tier I and II writing students with the necessary information and resources about the writing courses and learning to write to make each of you successful in your writing classes and beyond.

Academic Writing Guide for College Students

Guide to College Writing Assessment. Book Description: While most English professionals feel comfortable with language and literacy theories, assessment theories seem more alien. English professionals often don't have a clear understanding of the key concepts in educational measurement, such as validity and reliability, nor do they understand the statistical formulas associated with psychometrics.

Guide to College Writing Assessment on JSTOR

Briefer and more accessible than full-length texts, Wordsmith: A Guide to College Writing is the antidote to dry, overwrought, and overly expansive writing guides. It engages students, serves multiple skill levels, and teaches enduring writing techniques in a way that 's actionable, contemporary, hands-on, and fun.
