Taking the literary world by storm, Eimear McBride's internationally praised debut is one of the most acclaimed novels in recent years; it is "subversive, passionate, and darkly alchemical. Read it and be changed" (Eleanor Catton). Not so much a stream-of-consciousness, as an

unconscious railing against a life that makes little sense, and a shocking and intimate insight into the thoughts, feelings and chaotic sexuality of a vulnerable and isolated protagonist, *A Girl Is a Half-formed Thing* plunges inside its narrator's head, exposing her world firsthand. This isn't always comfortable—but it is always a revelation. Touching on everything from family violence to religion to addiction, and the personal struggle to remain intact in times of intense trauma, McBride writes with singular intensity, acute sensitivity, and mordant wit. *A Girl Is a Half-formed Thing* is moving, funny, and alarming. From Eimear McBride, author of the award-winning *A Girl Is a Half-formed Thing*, comes the beguiling travelogue of a woman in exile: from her past, her ghosts, and herself. A nameless woman enters a hotel room. She's been here once before. In the years since, the room hasn't changed, but she has. Forever caught between check-in and check-out, she will go on to occupy other hotel rooms. From Avignon to Oslo, Auckland to Austin, each is as anonymous as the last but bound by rules of her choosing. There, amid the detritus of her travels, the matchbooks, cigarettes, keys and room-service wine, she negotiates with her memories, with the men she sometimes meets, with the clichés invented to aggravate middle-aged women, with those she has lost or left behind--and with what it might mean to return home. Urgent and immersive, filled with black humour and desire, McBride's *Strange Hotel* is a novel of enduring emotional force.

The blistering non-fiction debut from the author of the critically acclaimed *A Girl is a Half-formed Thing* \*As heard on BBC Radio 4's *Woman's Hour*\* 'A fearless, interrogative work ... A fierce and fascinating manifesto in McBride's persuasive prose' Sinéad Gleeson Here, Eimear McBride unpicks the contradictory forces of disgust and objectification that control and shame women. From playground taunts of 'only sluts do it' but 'virgins are frigid', to ladette culture,

and the arrival of 'ironic' porn, via Debbie Harry, the Kardashians and the Catholic church - she looks at how this prejudicial messaging has played out in the past, and still surrounds us today. In this subversive essay, McBride asks - are women still damned if we do, damned if we don't? How can we give our daughters (and sons) the unbounded futures we want for them? And, in this moment of global crisis, might our gift for juggling contradiction help us to find a way forward? Written during her time as the inaugural fellow in the Beckett archive last year, Eimear McBride's three short,

characteristically brilliant plays - collected in one work, Mouthpieces. Each play depicts a fragment of female experience, all of them told in in Eimear's vivid, original and sharp-witted style. In 'The Adminicle Exists', we hear the inner voice of a woman who saves her troubled, dangerous partner; in 'An Act of Violence', a woman is quizzed about her reaction to a man's death; in 'The Eye Machine', the character 'Eye' tells of her imprisonment, flickering through a slideshow of female stereotypes.
