And that's where the Japanese graded readers series comes in and gives you some graded reading material for every stage a Japanese learner could possibly be in. The graphic shows you how the JLPT levels would relate to the Graded Readers series. I'm not quite sure though how this is all matching up.

Japanese graded readers - Easy reading material to start with

Enjoy reading Japanese without a dictionary. Graded readers are books especially written for language learners. They employ a limited set of grammar and vocabulary which allows learners to enjoy reading without struggling. Studies show learners who use graded readers improve reading speed, reading fluency, help develop and enrich already known vocabulary, and improve their ability to move from working with words to working with ideas when reading.
