In this chapter, students get hold of basic knowledge on Acids bases and salts. In this chapter, various chemical properties of acids, bases and salts and the reaction of them with metals, non-metals are studied. Features of NCERT Solutions for Class 10 Chapter 2 Science Acids bases and salts. There are a lot of practical based questions in this Solution and these types of questions are often asked in CBSE class 10 science examination. You will encounter questions on a day to day examples of ...
