Cabot's portrayal of Emerson is brilliant.
She's a too-cool-for-school independent
chick, but she doesn't grow annoying, because
the author makes it clear her sarcasm stems
from not fitting in. Once she's Nikki Howard,

to know that disaster would strike, changing her, and life as she'd known it, forever?

Studious, socially conscious Emerson Watts learns startling news about the family of Nikki Howard, the teen supermodel into whose body Emerson's brain was transplanted by the nefarious Stark corporation.

Where can you hide When everyone knows your name? The third and final book the NYT bestselling trilogy. Emerson Watts is on the run: from school, from work, from her family, from her friends, from herself. With everyone she loves furious with her for something she can't explain, and nothing but the live Stark Angel fashion show on New Year's Eve to look forward to, Em's reached the end of her rope. . .what's the point of even going on? But when she discovers the truth about Nikki's secret, she knows there's only one person she can turn to.

When sixteen-year-old Emerson Watts learns the truth about Nikki, the teen supermodel into whose body Emerson's brain was transplanted, she finds that there is only one person to turn to for help--especially since her loved ones seem to be furious with her.

the realm of the dead is impossible when someone there wants you back. But now she's moved to a new town. Maybe at her new school, she can start fresh. Maybe she can stop feeling so afraid. Only she can't. Because even here, he finds her. That's how desperately he wants her back. She knows he's no guardian angel, and his dark world isn't exactly heaven, yet she can't stay away . . . especially since he always appears when she least expects it, but exactly when she needs him most. But if she lets herself fall any further, she may just find herself back in the one place she most fears: the Underworld.

Libby Moore is trying to figure out what to do with her life. She has graduated high school, but there's only one thing she's ever truly wanted in life...the one thing she can't have...her stepbrother, Jasper. Jasper Lewis tried to get away from the one person he shouldn't want. But moving only a couple of miles away was a pitiful effort, and he's tired of resisting what he wants. He's coming back to claim what's been his since day one, no matter what the consequences. This taboo love is so dirty, so wrong, and your lady business is gonna thank you! Warning: It's okay if you like it, because this is a judgment-free zone. But these two are about to get it on like their dad may walk in at any moment. Enjoy!!

Calabrese would rather be than crammed into a helicopter with Jack Townsend, star of her claim to fame, Copkiller, and whose ex just ran off with Lou's ex. Talk about uncomfortable. But when, halfway out to the isolated arctic location where Copkiller IV is currently shooting, their pilot turns murderous and their helicopter crashes, Lou realizes her day has just gotten a lot worse. Now, while family and friends back home fret over her disappearance, Lou is on the run in the arctic wilderness with America's sweetheart Jack Townsend and only the contents of her purse, his pockets, and their mutual knowledge of survival movie trivia to keep them alive. Can these two children of Hollywood put aside their differences and make it back home without killing each other? Or much, much worse, actually start to like one another?
