The step by step solutions are great, far superior to just having answers. No app can really replace a teacher or a tutor. However, this app can most certainly support and assist you in many algebra topics taught in class, it's geared for high school algebra and early college level algebra.

The Top 5 Apps for Doing Algebra - ThoughtCo  
In elementary algebra, the quadratic formula is a formula that provides the solution(s) to a quadratic equation. There are other ways of solving a quadratic equation instead of using the quadratic formula, such as factoring (direct factoring, grouping, AC method), completing the square, graphing and others.
