Amazon search engine optimization (Amazon SEO) is the process of optimizing your Amazon product listings to rank more highly in Amazon searches for related keywords. When you optimize your product listing, you make it easier for Amazon to find your listing and show it to shoppers who are looking for something like your product.

Amazon SEO: Everything Sellers Need to Know in 2020

This book contains the basics of keyword research, specifically for Amazon. Its title says "hacks" but I would not call it such. Hacks refer to black hat or white hat strategies to accomplish a task to me; this book contains no such strategies. If you are very new to keyword research, then this is a good book to start with.

Amazon.com: Customer reviews: Amazon Keyword Research ...

With the right Amazon keyword research strategy, and the right Amazon keyword tool, you'll make your products visible to more relevant, high-value prospects than ever before. Plus, thanks to well-optimized product titles and product details pages, you'll turn that boosted visibility into clicks and conversions at an impressive rate.
