Psychotherapy in Adult Attention Deficit Hyperactivity Disorder

There remains greater agreement on the efficacy of pharmacological treatment for adult ADHD than for psychosocial interventions, reflecting the strength of evidence. [2] However, as shown in ...

A detailed history of the use of amphetamines follows the rise, fall, and surprising resurgence of the popular drug in America since they were marketed as the original antidepressant in the 1930s.

This book covers both sides of the debate over amphetamine prescription and use. It discusses the history of amphetamine and related stimulants; ADHD and the use of Ritalin and Adderall to treat it; related neuroenhancers; methamphetamine from Desoxyn to crystal meth; the nature of addiction and side effects; sociological effects of amphetamine compounds; and expert opinions for and against amphetamine use.

Are you addicted to, or recovering from anger? Whether it be your emotions, alcohol or drugs, prescription meds, sex, gambling, porn, or the internet, compulsive behaviors are cunning, baffling and destroying families nationwide and internationally. Like autistic and cancer traits, addictive behaviors fall on a spectrum -- and they are known to be a normal response to an extreme situation, often stemming from childhood. However, this notebook is not an informational book, but a workbook for men and women who are in recovery from addiction. This is your relapse prevention workbook. If you have recently left treatment or rehab, you are going through addiction counseling or recovery coaching, this book will especially then help you in your eventual recovery. Use this book and your recovery journal and addiction recovery book and your life will be forever changed. So far, there is no equivalent compulsive behavior recovery book that helps to heal and rewire your brain from addictions. This book offers evidence-based techniques fusing cognitive behavioral therapy (CBT), and mindfulness-based relapse prevention to help you move past your addictive behaviors. Are you going through addictive behavior counseling? This book will help you stop your addictions and heal your mind. On the long road to addiction recovery, you need as many tools as possible to help you stay sober and reach your destination. The book can be used on its own or as an adjunct to rehab, therapy or coaching. It also makes a rich recovery resource for loved ones and professionals treating addiction. Ready to start living the life you've always wanted? This book can help you prevent relapse long term, beat your addiction and get back to living a full and meaningful life.

In his book, Gonzales provides snapshots of true-life accounts to eloquently describe the world in which he lived from the humble beginnings of his childhood, to his life as a Drug Kingpin, to his transformation in State Prison. He goes into detail of how he perfected the manufacturing and distribution of amphetamines during the mid to late 1980s. His escapades include run-ins with infamous drug lords and mad men of various underground organizations. And of course, he discusses the key people involved in helping him rise from a Latino Texan minion to a convicted Drug Kingpin.

Elvis Presley, the Hell's Angels, Hunter S. Thompson, Truman Capote, the Beatles, Judy Garland, Hank Williams, Jack Kerouac, Johnny Cash, JFK, the Manson Family and Adolf Hitler. All of the above were, at one time or another, to put it bluntly, speedfreaks. Speed-Speed-Speedfreak traces the criminal and cultural use of amphetamine and its growing use through each new and destructive cycle. Speed is both one of the biggest social problems facing the country today, an indispensable component of the doctor's medicine bag, and a huge and abiding influence on artists, musicians and writers.

New York Times Bestseller "[A] fascinating, engrossing, often dark history of drug use in the Third Reich." — Washington Post The Nazi regime preached an ideology of physical, mental, and moral purity. Yet as Norman Ohler reveals in this gripping new history, the Third Reich was saturated with drugs: cocaine, opiates, and, most of all, methamphetamines, which were consumed by everyone from factory workers to housewives to German soldiers. In fact,

troops were encouraged, and in some cases ordered, to take rations of a form of crystal meth—the elevated energy and feelings of invincibility associated with the high even help to account for the breakneck invasion that sealed the fall of France in 1940, as well as other German military victories. Hitler himself became increasingly dependent on injections of a cocktail of drugs—ultimately including Eukodal, a cousin of heroin—administered by his personal doctor. Thoroughly researched and rivetingly readable, *Blitzed* throws light on a history that, until now, has remained in the shadows. “Delightfully nuts.” —*The New Yorker* NORMAN OHLER is an award-winning German novelist, screenwriter, and journalist. He is the author of the novels *Die Quotenmaschine* (the world’s first hypertext novel), *Mitte*, and *Stadt des Goldes* (translated into English as *Ponte City*). He was cowriter of the script for Wim Wenders’s film *Palermo Shooting*. He lives in Berlin.

Amphetamines have had a relatively short, though chequered history. In this book, a leading authority on psychoactive drugs explores the uses and abuses of amphetamines. Eschewing dogma, Iversen presents a fascinating and accessible exposé of recreational and medical amphetamine use.

Discusses amphetamines, their misuse, abuse, and dangers.
