Robert Dallek's masterful John F. Kennedy: An Unfinished Life was a number one national bestseller, and it remains the most widely read one-volume biography of the 35th President. Now, in this marvelous short biography of John F. Kennedy, Dallek achieves a miracle of compression, capturing in a small space the essence of his renowned full-length masterpiece. Here readers will find the fascinating insights and groundbreaking revelations found in An Unfinished Life. The heart of the book focuses on Kennedy's political career, especially the presidency. The book sheds light on key foreign affairs issues such as the Bay of Pigs

Online Library An Unfinished Life John F Kennedy 1917 1963 Robert Dallek

debacle, Khrushchev's misguided bullying of Kennedy in Vienna, the Cuban Missile crisis, the nuclear test ban, the race for space, and the initial dealings with Southeast Asia, especially Laos. It also highlights the difficulties Kennedy faced getting a domestic agenda passed, from a tax cut to spur the economy, to federal aid to education, Medicare, and civil rights. Dallek reveals the thinking behind Robert Kennedy's appointment as Attorney General and convincingly argues that Kennedy would never have expanded the war in Vietnam the way that Lyndon Johnson did. The book also addresses questions about Kennedy's assassination and concludes with his presidential legacy and why he remains so popular despite serving only a thousand days in office. Based upon the definitive biography, John F. Kennedy offers readers a concise, authoritative, and highly readable life of one of our best-loved presidents. Acclaim for John F. Kennedy: An Unfinished Life: "One of the most engrossing biographies I have ever read.... Nothing less than a masterpiece." --David Herbert Donald, author of Lincoln "It's hard to believe that someone could find anything new to say about John F. Kennedy, but Dallek succeeds in this riveting and well-documented biography." --The New Yorker "An intimate portrait indeed...unexpected and important.... This is nothing if not a profile in courage." --New York Times Book Review

Drawing on previously unavailable material and never-before-opened archives, An Unfinished Life is packed with revelations large and small -- about JFK's health, his love affairs, RFK's appointment as Attorney General, what Joseph Kennedy did to help his son win the White House, and the path JFK would have taken in the Vietnam entanglement had he survived. shying away from JFK's weaknesses, brilliantly exploring his strengths -- as he offers up a vivid portrait of a bold, brave, complex, heroic, human Kennedy.

Chronicles John F. Kennedy's childhood, wartime actions, political campaigns, presidency, marriage and personal life, and health, revealing insights into his life from new documents, archives, and firsthand sources.

The #1 bestseller that forever changed how we thought about JFK, published with a new epilogue in time for the 50th anniversary of Kennedy's assassination. When it was originally published in 2003, AN UNFINISHED LIFE brought to light new revelations about JFK's health, his love affairs, his brothers and father, and the path JFK would have taken in the Vietnam entanglement if he had survived. A blockbuster bestseller, the book was embraced by critics and readers as a landmark assessment of our 35th president. Now, in time for what promises to be remarkable media attention on Kennedy's death and legacy, AN UNFINISHED LIFE returns with a new, strikingly incisive examination by Robert Dallek in which he further assesses JFK's impact and hold on American culture.

In an extraordinary tale of love and forgiveness, Mark Spragg brings us this novel of a complex, prodigal homecoming. Jean Gilkyson has a history of choosing the wrong men. After yet another night of argument turned to violence with her boyfriend, Roy, Jean knows it's time to leave—if not for herself, then for her ten-year-old daughter, Griff. But the only place they can afford to go is Ishawooa, Wyoming, where Jean's family is dead and her deceased husband's father Einar wishes Jean was too. Of course, Griff knows none of this—only that here in Wyoming, with a

Online Library An Unfinished Life John F Kennedy 1917 1963 Robert Dallek

grandfather she has never known and his crippled friend Mitch, she may finally be able to find a home.

Based on hundreds of newly released tapes and extensive interviews with Johnson's advisors and confidants, the author reveals the complexities of Lyndon Johnson during his presidency

"All first-rate criticism first defines what we are confronting," the late, great jazz critic Whitney Balliett once wrote. By that measure, the essays of Christopher Hitchens are in the first tier. For nearly four decades, Hitchens has been telling us, in pitch-perfect prose, what we confront when we grapple with first principles—the principles of reason and tolerance and skepticism that define and inform the foundations of our civilization—principles that, to endure, must be defended anew by every generation. "A short list of the greatest living conversationalists in English," said *The Economist*, "would probably have to include Christopher Hitchens, Sir Patrick Leigh-Fermor, and Sir Tom Stoppard. Great brilliance, fantastic powers of recall, and quick wit are clearly valuable in sustaining conversation at these cosmic levels. Charm may be helpful, too." Hitchens—who staunchly declines all offers of knighthood—hereby invites you to take a seat at a democratic conversation, to be engaged, and to be reasoned with. His knowledge is formidable, an encyclopedic treasure, and yet one has the feeling, reading him, of hearing a person thinking out loud, following the inexorable logic of his thought, wherever it might lead, unafraid to expose fraudulence, denounce injustice, and excoriate hypocrisy. Legions of readers, admirers and detractors alike, have learned to read Hitchens with something approaching awe at his felicity of language, the oxygen in every sentence, the enviable wit and his

Online Library An Unfinished Life John F Kennedy 1917 1963 Robert Dallek

readiness, even eagerness, to fight a foe or mount the ramparts. Here, he supplies fresh perceptions of such figures as varied as Charles Dickens, Karl Marx, Rebecca West, George Orwell, J.G. Ballard, and Philip Larkin are matched in brilliance by his pungent discussions and intrepid observations, gathered from a lifetime of traveling and reporting from such destinations as Iran, China, and Pakistan. Hitchens's directness, elegance, lightly carried erudition, critical and psychological insight, humor, and sympathy-applied as they are here to a dazzling variety of subjects-all set a standard for the essayist that has rarely been matched in our time. What emerges from this indispensable volume is an intellectual self-portrait of a writer with an exemplary steadiness of purpose and a love affair with the delights and seductions of the English language, a man anchored in a profound and humane vision of the human longing for reason and justice.

Named a Best Book of the Year by The Washington Post and NPR “ We come to see in FDR the magisterial, central figure in the greatest and richest political tapestry of our nation ’ s entire history ” —Nigel Hamilton, Boston Globe

“ Meticulously researched and authoritative ” —Douglas Brinkley, The Washington Post “ A workmanlike addition to the literature on Roosevelt. ” —David Nasaw, The New York Times “ Dallek offers an FDR relevant to our sharply divided nation ” —Michael Kazin “ Will rank among the standard biographies of its subject ” —Publishers Weekly A one-volume biography of Roosevelt by the #1 New York Times bestselling biographer of JFK, focusing on his career as an incomparable politician, uniter, and deal maker In an era of such great national divisiveness, there could be no more timely biography of one of our greatest presidents than one that focuses on his unparalleled political ability as a uniter

Online Library An Unfinished Life John F Kennedy 1917 1963 Robert Dallek

and consensus maker. Robert Dallek 's Franklin D. Roosevelt: A Political Life takes a fresh look at the many compelling questions that have attracted all his biographers: how did a man who came from so privileged a background become the greatest presidential champion of the country ' s needy? How did someone who never won recognition for his intellect foster revolutionary changes in the country ' s economic and social institutions? How did Roosevelt work such a profound change in the country ' s foreign relations? For FDR, politics was a far more interesting and fulfilling pursuit than the management of family fortunes or the indulgence of personal pleasure, and by the time he became president, he had commanded the love and affection of millions of people. While all Roosevelt ' s biographers agree that the onset of polio at the age of thirty-nine endowed him with a much greater sense of humanity, Dallek sees the affliction as an insufficient explanation for his transformation into a masterful politician who would win an unprecedented four presidential terms, initiate landmark reforms that changed the American industrial system, and transform an isolationist country into an international superpower. Dallek attributes FDR ' s success to two remarkable political insights. First, unlike any other president, he understood that effectiveness in the American political system depended on building a national consensus and commanding stable long-term popular support. Second, he made the presidency the central, most influential institution in modern America ' s political system. In addressing the country ' s international and domestic problems, Roosevelt recognized the vital importance of remaining closely attentive to the full range of public sentiment around policy-making decisions—perhaps FDR ' s most enduring lesson in effective leadership.

An original and illuminating narrative revealing John F. Kennedy's lasting influence on America, by the acclaimed political analyst Larry J. Sabato.

NEW YORK TIMES EDITORS ' CHOICE • A Pulitzer Prize-winning historian takes us as close as we have ever been to the real John F. Kennedy in this revelatory biography of the iconic, yet still elusive, thirty-fifth president. " An utterly incandescent study of one of the most consequential figures of the twentieth century. " —Jill Lepore, author of *These Truths: A History of the United States* WINNER OF THE ELIZABETH LONGFORD PRIZE • NAMED BIOGRAPHY OF THE YEAR BY The Times (London) • NAMED ONE OF THE BEST BOOKS OF THE YEAR BY The Sunday Times (London) • New Statesman • The Daily Telegraph • Kirkus Reviews By the time of his assassination in 1963, John F. Kennedy stood at the helm of the greatest power the world had ever seen, a booming American nation that he had steered through some of the most perilous diplomatic standoffs of the Cold War. Born in 1917 to a striving Irish American family that had become among Boston ' s wealthiest, Kennedy knew political ambition from an early age, and his meteoric rise to become the youngest elected president cemented his status as one of the most mythologized figures in American history. And while hagiographic portrayals of his dazzling charisma, reports of his extramarital affairs, and disagreements over his political legacy have come and gone in the decades since his untimely death, these accounts all fail to capture the full person. Beckoned by this gap in our historical knowledge, Fredrik Logevall has spent much of the last decade searching for the " real " JFK. The result of this prodigious effort is a sweeping two-volume biography that properly

Online Library An Unfinished Life John F Kennedy 1917 1963 Robert Dallek

contextualizes Kennedy amidst the roiling American Century. This volume spans the first thirty-nine years of JFK ' s life—from birth through his decision to run for president—to reveal his early relationships, his formative experiences during World War II, his ideas, his writings, his political aspirations. In examining these pre-White House years, Logevall shows us a more serious, independently minded Kennedy than we ' ve previously known, whose distinct international sensibility would prepare him to enter national politics at a critical moment in modern U.S. history. Along the way, Logevall tells the parallel story of America ' s midcentury rise. As Kennedy comes of age, we see the charged debate between isolationists and interventionists in the years before Pearl Harbor; the tumult of the Second World War, through which the United States emerged as a global colossus; the outbreak and spread of the Cold War; the domestic politics of anti-Communism and the attendant scourge of McCarthyism; the growth of television ' s influence on politics; and more. JFK: Coming of Age in the American Century, 1917–1956 is a sweeping history of the United States in the middle decades of the twentieth century, as well as the clearest portrait we have of this enigmatic American icon.
