What we do. We are a low-cost European point-to-point airline. We use our cost advantage and number one and number two network positions in strong markets to deliver low fares and operational efficiency on point-to-point routes, with our people making the difference by offering friendly service for our customers.

What we do - easyJet plc

If lost economic productivity is also considered, the total cost of chronic diseases increases to \$3.7 trillion, which is close to one-fifth of the entire US economy (7,8). These costs are expected to increase as the population ages - projections indicate that by 2030, more than 80 million people in the United States will have at least 3 chronic diseases (7).
