It has been proposed that since generally speaking "We need to book it" refers to the need to leave quickly; the phrase may be related to "booking out of the hotel" or to "book passage" on a ship. An alternate explanation is that the phrase may have originated in reference to cars ("That car really booked!") as if the car went so fast it was entered into a record book for breaking a speed record.

What is the origin of the phrase 'book it', as in 'move ...
