Bill Bryson - Wikipedia

The most notable books in this genre are The Mother Tongue and Made in America. While working as a journalist in the United Kingdom, Bryson worked his way through the ranks, finally becoming the deputy national news editor for the business section of The Times. However, Bryson left the role in the late '80s.

Bill Bryson Books In Publication & Chronological Order ...

Perhaps Bill Bryson's most well-known book, A Short History of Nearly Everything serves as a stark departure from his writing about countries and their culture, as he instead turns his attention toward some of the biggest mysteries of our age: how did the universe begin and how did humans get here? By breaking esoteric elements of astrophysics into fundamental concepts anyone can wrap their head around, Bryson reveals the secrets of our universe and our place in it, while he also reminds ...
