In this special twenty-fifth anniversary edition of Thomas Moore's bestselling *Care of the Soul*, which includes a new introduction by the author, readers are presented with a revolutionary approach to thinking about daily life—everyday activities, events, problems, and creative opportunities—and a therapeutic lifestyle is proposed that focuses on looking more deeply into emotional problems and learning how to sense sacredness in ordinary things. Basing his writing on the ancient model of “care of the soul”—which provided a religious context for viewing the everyday events of life—Moore brings “care of the soul” into the twenty-first century. Promising to deepen and broaden the readers' perspectives on their life experiences, Moore draws on his own life as a therapist practicing “care of the soul,” as well as his studies of the world's religions and his work in music and art, to create this inspirational guide that examines the connections between spirituality and the problems of individuals and society. “Thoughtful, eloquent, inspiring.” —San Francisco Chronicle “I soulfully recommend it without reservation.” —John Bradshaw, author of *Homecoming*

A moving memoir and an extraordinary love story that shows how an

expert physician became a family caregiver and learned why care is so central to all our lives and yet is at risk in today's world. When Dr. Arthur Kleinman, an eminent Harvard psychiatrist and social anthropologist, began caring for his wife, Joan, after she was diagnosed with early-onset Alzheimer's disease, he found just how far the act of caregiving extended beyond the boundaries of medicine. In *The Soul of Care: The Moral Education of a Husband and a Doctor*, Kleinman delivers a deeply human and inspiring story of his life in medicine and his marriage to Joan, and he describes the practical, emotional and moral aspects of caretaking. He also writes about the problems our society faces as medical technology advances and the cost of health care soars but caring for patients no longer seems important. Caregiving is long, hard, unglamorous work--at moments joyous, more often tedious, sometimes agonizing, but it is always rich in meaning. In the face of our current political indifference and the challenge to the health care system, he emphasizes how we must ask uncomfortable questions of ourselves, and of our doctors. To give care, to be "present" for someone who needs us, and to feel and show kindness are deep emotional and moral experiences, enactments of our core values. The practice of caregiving teaches us what is most important in life, and reveals the very heart of what it is to be human.

Few experiences stir the emotions and throw a person into crisis as illness does. It affects not only the body but also the spirit and soul. Illness is about life and death, fear and hope, love and conflict, spirit and body. And yet, the healthcare system is not structured around these considerations—our doctors and other medical professionals are not trained to deal with the whole person. Care of the Soul In Medicine is Moore's manifesto about the future of healthcare. In this new vision of care, Moore speaks to the importance of healing a person rather than simply treating a body. He gives advice to both healthcare providers and patients for maintaining dignity and humanity. He provides spiritual guidance for dealing with feelings of mortality and threat, encouraging patients to not only take an active part in healing but also to view illness as a positive passage to new awareness. While we don't fully understand the extent to which healing depends on attitude; it has been shown that healing needs to focus on more than the body. The future of medicine is not only in new technical developments and research discoveries; it is also in appreciating the state of soul and spirit in illness.

#1 New York Times Bestseller With a new introduction by the author and additional material, this 25th anniversary edition of the #1 New York

Times bestseller by Thomas Moore provides a powerful spiritual message for our troubled times. In this special 25th anniversary edition of Thomas Moore's bestselling book Care of the Soul readers are presented with a revolutionary approach to thinking about daily life—everyday activities, events, problems and creative opportunities—and a therapeutic lifestyle is proposed that focuses on looking more deeply into emotional problems and learning how to sense sacredness in even ordinary things. Basing his writing on the ancient model of "care of the soul"—which provided a religious context for viewing the everyday events of life—Moore brings "care of the soul" into the 21st century. Promising to deepen and broaden the reader's perspective on his or her own life experiences, Moore draws on his own life as a therapist practicing "care of the soul," as well as his studies of the world's religions and his work in music and art, to create this inspirational guide that examines the connections between spirituality and the problems of individuals and society.

Every human life is made up of the light and the dark, the happy and the sad, the vital and the deadening. How you think about this rhythm of moods makes all the difference. Our lives are filled with emotional tunnels: the loss of a loved one or end of a relationship, aging and illness, career disappointments or just an ongoing sense of

Read PDF Care Of The Soul A Guide For Cultivating Depth And Sacredness In Everyday Life Thomas Moore

dissatisfaction with life. Society tends to view these “dark nights” in clinical terms as obstacles to be overcome as quickly as possible. But Moore shows how honoring these periods of fragility as periods of incubation and positive opportunities to delve the soul’s deepest needs can provide healing and a new understanding of life’s meaning. Dark Nights of the Soul presents these metaphoric dark nights not as the enemy, but as times of transition, occasions to restore yourself, and transforming rites of passage, revealing an uplifting and inspiring new outlook on such topics as:

- The healing power of melancholy
- The sexual dark night and the mysteries of matrimony
- Finding solace during illness and in aging
- Anxiety, anger, and temporary Insanities
- Linking creativity, spirituality, and emotional struggles
- Finding meaning and beauty in the darkness

Edited by Mark R. McMinn and Timothy R. Phillips, this collection of essays is a multidisciplinary dialogue on the interface between psychology and theology that takes seriously the long, rich tradition of soul care in the church.

Drawing on a lifetime of pastoral experience, *The Care of Souls* is a beautifully written treasury of proven wisdom which pastors will find themselves turning to again and again. Harold Senkbeil helps remind

pastors of the essential calling of the ministry: preaching and living out the Word of God while orienting others in the same direction. And he offers practical and fruitful advice—born out of his five decades as a pastor—that will benefit both new pastors and those with years in the pulpit. In a time when many churches have lost sight of the real purpose of the church, *The Care of Souls* invites a new generation of pastors to form the godly habits and practical wisdom needed to minister to the hearts and souls of those committed to their care.

The New York Times bestselling author of the classic *The Care of the Soul* addresses the needs of those providing soul care to others—therapists, psychiatrists, ministers, spiritual directors, teachers, and even friends—sharing his insights for incorporating a spiritual or soulful dimension into their work and practices. *Soul Therapy* is the culmination of Thomas Moore's work. In his previous acclaimed books, he explored the soul in important areas of our lives—work, sex, marriage, family, religion, and aging. In this wise guide, he now returns to his core vocation: teaching practitioners—therapists, psychiatrists, ministers, spiritual directors, and others—how to offer soul care to those they assist. A training manual infused with a lifetime's worth of wisdom, *Soul Therapy* is divided into five sections: What therapy or “soul care” is

and how it works; What soul work is required of the helper to be able to address the needs of others; How to access and move forward the spiritual dimension; How to apply this work to specific areas, such as work, marriage, parenting, or teaching; How to deal with other issues that arise, such as developing a therapeutic style, dealing with one's shadow, and the need for self-care. Profound yet practical, enlightened yet grounded in real-world experience, Soul Therapy will become a definitive resource for caregivers and practitioners for years to come.

A practicing psychologist explores the church's role in "soul care," advocating a counseling method that anchors modern therapy in timeless biblical principles.

Thomas Moore is the renowned author of *Care of the Soul*, the classic #1 New York Times bestseller. In *Ageless Soul*, Moore reveals a fresh, optimistic, and rewarding path toward aging, one that need not be feared, but rather embraced and cherished. In Moore's view, aging is the process by which one becomes a more distinctive, complex, fulfilled, loving, and connected person. Using examples from his practice as a psychotherapist and teacher who lectures widely on the soul of medicine and spirituality, Moore argues for a new vision of

Read PDF Care Of The Soul A Guide For Cultivating Depth And Sacredness In Everyday Life Thomas Moore

aging: as a dramatic series of initiations, rather than a diminishing experience, one that each of us has the tools—experience, maturity, fulfillment—to live out. Subjects include: *Why melancholy is a natural part of aging, and how to accept it, rather than confuse it with depression *The vital role of the elder and mentor in the lives of younger people *The many paths of spiritual growth and learning that open later in life *Sex and sensuality *Building new communities and leaving a legacy Ageless Soul will teach readers how to embrace the richness of experience and how to take life on, accept invitations to new vitality, and feel fulfilled as they get older.
