The Essentials In competitive and semi-competitive play, Eldar are a mechanized army. As an old-school Eldar player from second edition when Eldar tanks had no rules in the codex and were seldom seen on tables, this was a hard concept for me to accept. The fact is that newer editions of 40k are our work-horse units...

According to 40k stats.com
craftworlds have the lowest win rate
of any army with enough games to
get a realistic picture of how they
perform. This is based off competitive
play so isn't necessarily
representative of a more casual
game. I think it's probably skewed by
some competitive players moving
