CPCE Practice Questions are the simplest way to prepare for the CPCE test. Practice is an essential part of preparing for a test and improving a test taker's chance of success. The best way to practice taking a test is by going through lots of practice test questions. If someone has never taken a practice test, then they are unprepared for the types of questions and answer choices that they will encounter on the official test. There is a tremendous advantage to someone taking the test that is already familiar with the questions and answer choices. Another advantage of taking practice tests is that you can assess your performance and see if you need to study and practice more, or if you're already prepared enough to achieve success on your test day. If you do well on the practice test, then you know you're prepared. If you struggle on the practice test, then you know you may still have more work to do to get prepared. Taking lots of practice tests helps ensure that you are not surprised or disappointed on your test day. Our CPCE Practice Questions give you the opportunity to test your knowledge on a set of questions. You can know everything that is going to be covered on the test and it will not do you any good on test day if you have not had a chance to practice. Repetition is a key to success and using practice test questions allows you to reinforce your strengths and improve your weaknesses. Detailed answer explanations are also included for each question. It may sound obvious, but you have to know which questions you missed (and more importantly why you missed them) to be able to avoid making the same mistakes again when you take the real test. That's why our CPCE Practice Questions include answer keys with detailed answer explanations. These in-depth answer explanations will allow you to better understand any questions that were difficult for you or that you needed more help to understand.

“Dawn gave us the tools we needed to take the exam, and let me tell you - she was on point! Not only did she cover the content areas we needed to focus in on, but she also showed us how to read and interpret the questions on the exam.” —Ammu D. Kowolik, LMSW, McSilver Institute for Poverty Policy and Research Students and social workers preparing for the social work masters licensure exam will find an invaluable study resource in the Social Work ASWB® Masters Exam Guide. Written by a prominent social work leader and trainer for social work licensing exams in the United States, this guide is based on years of time-tested exam prep workshops conducted by the author. It mirrors the ASWB Masters “Knowledge, Skills, and Abilities” upon which the exam is based and incorporates information from the DSM-5®. The guide is comprehensive yet focuses on the material most likely to be included on the exam, so readers can prioritize information as they study. A self-assessment section helps identify strengths and weaknesses before tackling the material. The author shares her extensive knowledge of the exam by providing useful test-taking strategies and tips for overcoming test anxiety. The 170-question practice test at the end of the guide (with explanations of the correct answers) mirrors the actual exam in both length and structure. Content includes human development, diversity, abuse and neglect, assessment and intervention planning, direct and indirect (micro and macro) practice, and professional values and ethics. This book will be a valuable asset for social workers throughout the United States and Canada. Key Features: Developed by a highly respected educator of social work licensure candidates Covers all the content areas on the masters examination, including new content added in 2015 Begins with a self-assessment section to help identify areas of strength and weakness Offers a wealth of test-taking tips and strategies to foster exam confidence Includes a practice test (with explanations of the correct answers) that mirrors the exam ASWB® is a registered service mark of the Association of Social Work Boards, which neither sponsors nor endorses this product.

With more questions and answers than any other edition, the Encyclopedia of Counseling, Fourth Edition, is still the only book you need to pass the NCE, CPCE, and other counseling exams. Every chapter has new and updated material and is still written in Dr. Rosenthal's lively, user-friendly style counselors know and love. The book's new and improved coverage incorporates a range of vital topics, including social media, group work in career counseling, private practice and nonprofit work, addictions, neurocounseling, research trends, the DSM-5, the new ACA and NBCC codes of ethics, and much, much more.

A powerful resource and tool for preparing for two of the most important examinations in counselor preparation and credentialing - the National Counselor Examination for Licensure and Certification (NCE) and the Counselor Preparation Comprehensive Examination (CPCE). Mastering the National Counselor Examination and the Counselor Preparation Comprehensive Examination is specifically designed to help students preparing for the NCE or CPCE and professional counselors preparing to take the NCE as a licensure exam. This practical guide provides numerous sample questions, includes four full-length practice exams - two for the NCE and two for the CPCE - and presents pertinent information about the NCE and CPCE, including discussion of its rationale, structure, format, and scoring procedures. Readers have ample opportunities to test their knowledge and practice answering the types of questions that they will encounter on the exams. Fully updated to align with 2016 CACREP standards and current NCE/CPCE content, the 3rd Edition includes new test preparation items, additional case studies, and a revised glossary of key terms. An updated Chapter 1 includes test-taking strategies, and a revised Chapter 9 focuses on what future counselors need to know about getting a job and marketing themselves as professional counselors. Also available with the Enhanced Pearson eText® The Enhanced Pearson eText is: Engaging.
