Cloistered in a stone cell at the monastery of Saint Brigit, a sixth-century Irish nun secretly records the memories of her Pagan youth, interrupting her assigned task of transcribing Augustine and Patrick. She also writes of her fiercely independent mother, whose skill with healing plants and inner strength she inherited. She writes of her druid teacher, the brusque but magnetic Giannon, who first introduced her to the mysteries of written language. But disturbing events at the cloister keep intervening. As the monastery is rent by vague and fantastic accusations, Gwynneve's words become the one force that can save her from annihilation.

" The Confessions of Catherine de Medici is a dramatic, epic novel of an all-too-human woman whose strength and passion propelled her into the center of grand events. Meticulously-researched, this engrossing novel offers a fresh portrait of a queen who has too often been portrayed as a villain. Bravo Mr. Gortner! " ---Sandra Gulland, author of The Josephine B Trilogy and Mistress of the Sun The truth is, not one of us is innocent. We all have sins to confess. So reveals Catherine de Medici, the last legitimate descendant of her family ' s illustrious line. Expelled from her native Florence, Catherine is betrothed to Henri, son of Fran  ois I of France. In an unfamiliar realm, Catherine strives to create a role for herself through her patronage of the famous clairvoyant Nostradamus and her own innate gift as a seer. But in her fortieth year, Catherine is widowed, left alone with six young children in a kingdom torn apart by the ambitions of a treacherous nobility. Relying on her tenacity, wit, and uncanny gift for compromise, Catherine seizes power, intent on securing the throne for her sons, unaware that if she is to save France, she may have to sacrifice her ideals, her reputation, and the secret of her embattled heart. BONUS: This edition contains a The Confessions of Catherine de Medici discussion guide and an excerpt from C.W. Gortner's The Queen's Vow. Praise for The Confessions of Catherine de Medici " Alison Weir and Philippa Gregory fans will devour this.
