## Series By Cherubini

Copula Methods in Finance /  
Edition 1 by Umberto Cherubini ...  
Copulas have been used widely in  
quantitative finance to model and  
minimize tail risk and portfolio-  
optimization applications. Sklar's  
theorem states that any  
multivariate joint distribution can  
be written in terms of univariate  
marginal distribution functions  
and a copula which describes the  
dependence structure between  
the variables.
