Crossing the Unknown Sea is about reuniting the imagination with our day to day lives. It shows how poetry and practicality, far from being mutually exclusive, reinforce each other to give every aspect of our lives meaning and direction. For anyone who wants to deepen their connection to their life's work - or find out what their life's work is - this book can help navigate the way.

Crossing the Unknown Sea: Work as a Pilgrimage of Identity ...

A life's work is not a series of stepping-stones onto which we calmly place our feet, but more like an ocean crossing where there is no path, only a heading, a direction, which, of itself, is in conversation with the elements." ? David Whyte, Crossing the Unknown Sea: Work as a Pilgrimage of Identity

Crossing the Unknown Sea Quotes by David Whyte

The best-selling author of The Heart Aroused assesses the workplace in terms of opportunity for rediscovering, shaping, and nurturing our personal lives, as he applies the stages of a holy pilgrimage to the process of seeking one's identity through work. Reprint.

Our greatest opportunity for discovery and growth is in the thing we most often want to get away from: our work. It's where people spend the majority of their time, and it's where many spend much of it wishing they were somewhere else, doing something else. And it's where people often spend their time not being present, and not being themselves. Whyte points out that as human beings we are the one part of creation that can refuse to be itself. Our bodies can be present in our work, but our hearts, minds and imaginations can be placed firmly in neutral or engaged elsewhere.

The author assesses the workplace in terms of opportunity for rediscovering, shaping, and nurturing our personal lives, as he applies the stages of a holy pilgrimage to the process of seeking one's identity through work.

Jacek Lidwin presents "Unknown People", a book containing 126 black and white street portraits. This book highlights provoking and contemporary examples of the medium of portraiture. Jacek is trying to express his perspective on individuals, unknown people who he meets in the streets of Poland. His art illustrates Osho's words: "We are born alone, we live alone and we die alone. Aloneness is our very nature but we are not aware of it". He is inspired by street photography of Robert Frank, Henri Cartier-Bresson, Robert Doisneau.

The Damned Algernon Blackwood - Two friends, Bill and Francis, come to visit a lonely absent friend. Blackwood writes about a house that may be haunted, or maybe it isn't. Strange things happen in the house, so strange that the friends don't want to sleep alone

An exploration of work as an opportunity for discovering and nurturing our deepest selves. We spend most of our time in the workplace - and what holds us back at work is what will hold us back the longest in terms of our personal development. A blend of poetry, story-telling and experience, this book is about how we find fulfillment through work. The text applies the stages of a pilgrimage to the process of seeking identity through the unknown sea of work.

Eekhoud's legendary account of love between the Count and Guidon... following the latter's dalliance with servant gal Blandine. Tame by 19th century standards, it's still a foundational work of gay literature.

"A farmer and entrepreneur, Chase is a man of many abilities. Now he is being asked to use those abilities, and his own particular skills with a sword and bow, to assist an alien planet. This means trading a valuable resource that the planet harbours to convince the Inter-galactic Federation to repair its failing sun" -- Back cover.

Poet and author David Whyte looks at the fruitful discipline of finding and asking ever keener and more beautiful questions throughout our lives. These questions ask us to reimagine ourselves, our world and our part in it, and have the potential to reshape our identities, helping us to become larger, more generous and more courageous, equal to the fierce invitations extended to us as we grow and mature.

At just twenty-two years of age, Briana Mills finds herself at a desperate crossroads.Once a promising student at the University of Oregon, she now finds herself alone on the streets of Portland with only the clothes on her back, memories of a happier time, and the stray dog that's adopted her. And she's got the drug that helps her forget.Briana's mistakes haunt her, lashing her with severe consequence, forcing her to make a decision few would ever make. Still, in a final attempt to make her young life count for something, Briana begins writing it all down-everything-so that others walking the crumbling precipice of rebellion might leap to safety before it's too late.She writes about her present struggles and the past. She writes about Michael, the boy she loved and left behind when she went off to college. She writes about the violent activism and drug that derailed her life. She writes about the demands placed on her by a socially conscious mother, and the adoration shown by a proud father. And Briana talks about Brody-the young activist leader who captured her heart, took it to the altar, and then crushed it.What develops is an engrossing record of a young and troubled life, one both beautiful and ugly, innocent and corrupt, lost and then found. And wrapped in its literary sinew is a cast of characters as diverse and engaging as the stars, and an impassioned love story sure to transcend time.What readers are saying:"Timeless.provocative.""Characters so real you'd swear this was a true account.""A brilliant read!"Alone Among People is D. M. Anthony's first novel. He lives in California where he's at work on his next book.This review is from: Alone Among People (Paperback)A Compelling and Heart Warming Story, September 25, 2012"Alone Among People is at once an engaging, moving story and a provocative statement about the thin line between thriving and sinking into an abyss as inescapable as quicksand. Its timeless and uplifting messages of hope conquering despair, healing borne of love and care, and peace at discovering one's identity are an inspiration. The author's empathy for the characters and their plight betrays knowledge of what he writes, and offers the reader a unique glimpse into a vulnerable and intimate place... his heart. I recommend this book to anyone who has traveled through the anguish of darkness and longed for the light; it may just guide your way."
