Hard copy: The United States is destroying itself from the inside out. The Corruption of America is a kind of moral decay... a kind of greed... a kind of desperate grasp for power. And it's destroying our nation. These corruptions do not need to exist. If individual Americans take it upon themselves to become better citizens, act with rational self-interest, and reject the "ethos of

An American diplomat is forced to confront the devastation of her past when she is assigned to remote northern Afghanistan. Twenty-one years ago, diplomat Angela Morgan witnessed the death of her husband during the bombing of the U.S. Embassy in Beirut. Devastated by her loss, she

fled back to America, where she hid in the backwaters of the State Department and avoided the high-profile postings that would advance her career. Now, with that career about to dead-end and no true connections at home, she must take the one assignment available—at a remote British army outpost in northern Afghanistan. Unwelcome among the soldiers and unaccepted by the local government and warlords, Angela has to fight to earn the respect of her colleagues, especially the enigmatic Mark Davies, a British major who is by turns her staunchest ally and her fiercest critic.

Frustrated at her inability to contribute to the nation's reconstruction, Angela slips out of camp disguised in a burka to provide aid to the refugees in the war-torn region. She becomes their farishta, or "angel," in the local Dari language—and discovers a new purpose for her life, a way to finally put her grief behind her. Drawing on the experiences of the author as a diplomat in Afghanistan, *Farishta* is a deeply moving and fast-paced story of a woman struggling to move beyond a past trauma, and finding a new community, a new love, and a new sense of self in the process.

John L. Dagg's guide to theology offers superb spiritual insight from the viewpoint of a senior preacher and theologian of the American Baptist movement. As Dagg's masterwork, the *Manual of Theology* is an honest and practical guide to the many aspects and qualities of Bible theology. Perhaps significantly, Dagg opens his great work with a chapter on inspiration - the fact that God inspired and

communicated the Bible, and why all Christians should acknowledge this truth if they are to understand His guidance in their lives. Dagg also discusses the individual Christian life and soul. The penalty of losing one's soul, if indeed one sins to such an extent as to be distant from the Lord, is confirmed to be the worst any person may suffer. However, Dagg continues on a more hopeful note: one's soul can be redeemed and saved, although the numbers of souls to have gained such redemption is only small.
