One devastating tragedy.Two broken souls.A love made whole.A boy and a girl. Snakes and snails, and puppy dogs tails. Sugar and spice, and everything nice. When you're eight and best friends that's how you see the world.A man and a woman. Dark and delicious, and hardened by circumstances. Desolation and despair, and haunted by unknown secrets. When you're twenty-eight and accused of unspeakable things that's the only way you can see the world.It didn't matter that no one ever really knew what happened. Twenty years ago her life was irrevocably changed. She never imagined she would be anything more than the girl always forgotten. But now she's back in the broken city of Detroit to prove them wrong. Branded trouble. A bad boy. Not worth a damn. He fought his way through his teen years. His love of cars the only thing that could battle his delinquency. With the need for speed in his blood, he overcame his past and sped his way to the top. Now looked upon for hope, he's the one who is going to turn things around. And the bankrupt city of Detroit hails him as their shining star. Jasper Storm is a complete contradiction. Untamed, yet always in control. That is until one reckless turn almost has him literally crashing into the tomboy who used to live next door to him. Charlotte Lane is the little girl he played Matchbox cars with when he was a young boy. Before his life changed. And before her life changed. Before the city changed forever.

A dare turns into so much more...All I want to do is get to work on time.But a Prince Harry look-a-like is trying to steal my cab.And that's not going to happen.In the midst of the battle, I discover I lost my wallet.So I bargain-a free ride for a kiss.His lips taste like mint, and when he tugs me closer, I can feel the hard muscles beneath his expensive suit.The kiss ends just as we reach our destination, and I rush out without so much as a goodbye.But fate, that bitch, Has us pounding on the same locked door. Already knowing I'm going to be fired, I curse my new boss and his new rules.The hot suit laughs, And dares me to tell my new boss what a dick he's being.With nothing to lose, I accept.Never in

a million years could I have imagined he is my new boss. Dating him is against the rules. His rules. He doesn't seem to care. Turns out he's more than a rulebreaker. He's royalty...and in danger. When Prince Maximus Montgomery tells me we need to keep things quiet, I taunt him with a dare of my own. Unbeknownst to me, it's a dare that could cost him his life. Is it too late to take it back? There's a reason rules aren't meant to be broken...And finding that out is the hardest thing I'll ever have to do in my life.

Not her. No way. Never again. But I need a fake girlfriend...fast. I'm about to lose everything. And I know just the person who can help. The little liar that she is. Lia Heart and I share a past. Not just the dirty, sweaty, get tangled between-the-sheets kind. Getting over her wasn't easy. But convincing her to help should be. She owes me. First I have to suck it up and pretend she didn't rip my heart from my chest. Easier said than done. I can't forgive or forget. Then again, this is just business. Nothing more. Turns out my 'girlfriend' is as sweet and delicious as ever. Temptation and chaos wrapped in a nice little package. She's my heaven and hell. When resisting her proves impossible, I tell myself it's only sex. That a hate f-ck is just that. Right? I can't possibly be falling. Can I? No way. Not for her. Never again. Famous last words.

Dahlia is certain that she has found true love when she reconnects with rock star River Wilde, until secrets from their pasts surface to threaten their future together.

The love of Elle Sterling and Logan McPherson continues to be tested by consequences from their pasts and by events from the present.

Jace Bennett was the kind of man you would love forever. Tall, dark, and brooding, there was just something about him that drew you in and made your pulse race from the moment you laid eyes on him. It might have been that slow, sexy smile or his filthy, dirty mouth. It could have been the way he had about him that made you feel like you were the only thing that mattered. Or just simply that when he looked at you, you instantly became weak in the knees. Even after ten long years of not seeing him, I couldn't deny that he still made my heart pound. Then again, to me he would always be that hot guy sitting on the counter at a frat party that I knew I wanted to marry before I even said my first hello. From what I could tell though, to him I wasn't the same girl I once had been. To him I was now the one he'd let slip away. Just someone he used to know. And I didn't think that was ever going to change. The thing that sucked about love; there was never any going back to the way it used to be. And somehow I had to learn to deal with that...because like it or not I was stuck with him

He's the newly drafted star quarterback. Hot. Arrogant. Too sexy for words. And ready to score. She's the new intern, and the coach's daughter. Driven. Determined. Ready to conquer the world. And completely off-limits. This is the NFL. A place where adrenaline runs high and rules aren't meant to be broken. Are you ready for some football? It has never been SEXIER.

He didn't think, he didn't question—he just acted. What she wanted, she took—without regard. It was only one night, but it changed everything. After losing his fiancée, Ben Covington is unsure he'll ever love again. But he's so deeply drawn to Bell Wilde that he's thrown for a loop. Maybe it's purely sexual chemistry that's igniting their spark... or maybe it's his second chance at love. Bell Wilde has just gotten her life back on track and may not be up to the challenge of Ben Covington coming back into it. However, once the spark is reignited...there's no stopping it. But even if they both manage to pull together their frayed hearts, a secret from Bell's past just might shatter them both.
