Death Scenes: A Homicide Detective's Scrapbook: A ...
These are old-school scene-of-death photos from the 30's-50's collected by a former Los Angeles Homicide Detective. The guy had his own scrapbook. All photos are in black & white and are very graphic. Most photos are of murder scenes. Some are suicides and accidents. A few are also of unusual physical diseases.

For the most part, homicide
detectives and crime scene
investigators are two
different professions, from
two different departments.
In order to become a
detective, you must first be
a police officer and pass
the detective exam. To
become a CSI, you don't
necessarily have to be a
police officer. However,
there are many departments
