Demonology : stories : Moody, Rick : Free Download, Borrow ... Oh man, I HATED this book. In this short story collection, Rick Moody artfully applies all of the worst elements of fiction to create saccharine, predictable stories about character that are flat and unsympathetic. I was thrilled when bad stuff happened to them.

Columbia Universities. He is the author of four previous novels: The Four Fingers of Death, Purple America, The Ice Storm, and Garden State, as well as an award-winning memoir and multiple collections of short fiction. Moody is the recipient of a Guggenheim fellowship, and his work has been anthologized in Best American Stories, Best ...

Rick Moody's novels have earned him a reputation as a "breathtaking" writer (The New York Times) and "a writer of immense gifts" (The San Francisco Examiner). His remarkable short stories have led both the New Yorker and Harpers to single him out as one of the most original and admired voices in a generation. These stories are abundant proof of Rick Moody's grace as a stylist and a shaper of interior lives. He writes with equal force about the blithe energies of youth ("Boys") and the rueful onset of middle age ("Hawaiian Night"), about Midwestern optimists ("Double Zero") and West coast strategists ("Baggage Carousel"), about visionary exhilaration ("Forecast from the Retail Desk") and delusional catharsis ("Surplus Value Books: Catalog Number 13.") The astounding title story, which has already been reprinted in four different anthologies, is a masterpiece of remembrance and thwarted love. Full of deep feeling and stunningly beautiful language, the stories in Demonology offer the deepest pleasures that fiction can afford.

The national bestseller and basis for the Ang Lee film is a "powerful" novel of two troubled families during a blizzard in 1970s suburban Connecticut (Newsday). A potentially devastating blizzard approaches New Canaan, Connecticut, while internal forces of desire, frustration, and ennui threaten to tear apart two quintessentially affluent, suburban families. Elena Hood rightfully suspects her husband, Benjamin, is having an affair with neighbor

Janey Williams, while Benjamin resents Elena and his mounting feelings of ineptitude. As the snow begins to fall, Benjamin and Elena, as well as Janey and her husband, attend a neighborhood “key party,” where they and other respectable suburbanites agree to go home with whomever’s keys they draw from a bowl. Meanwhile, the Hoods’ and Williams’s teenage children are caught up in their own experimentations with sex and drugs as they test the boundaries of their structured upbringing. With author Rick Moody’s sharp eye for the nuances of suburban life and allusions to 1970s America from Watergate to the Fantastic Four, the novel’s landscape is vivid and immersive. This timeless, unforgettable novel is a compassionate portrayal of flawed characters and reflects Rick Moody’s sharp eye for the contradictions of suburban life. This ebook features an illustrated biography of Rick Moody including rare images from the author’s personal collection.

A son is tasked with an impossible decision in this poignant, astutely observed portrait of a family in crisis from the author of *The Ice Storm*. While visiting his mother, Billie, who suffers from a degenerative neurological disease that has left her paralyzed and unable to speak, Dexter “Hex” Raitliffe learns that his stepfather, Billie’s husband and caretaker, has left her. Alone and incapable of living on her own, Billie makes an unfathomable request of Hex: to assist her in committing suicide. Perpetually indecisive, paralyzed by self-doubt, and hindered by an unshakable stutter, Hex sets out to confront his stepfather, only to find himself facing off against his own struggles—with intimacy and alcoholism—along the way. Back in the suburbs of his youth, Hex experiences the lull of nostalgia as well as the sting of painful memories like his father’s death as he tries to reconcile his mother’s fate and his own wavering identity. Author Rick Moody evokes this singular setting with stunning clarity. Profoundly tragic yet punctuated by moments of hilarity, *Purple America* is a searing gaze into one family’s fragile, chaotic heart. This ebook features an illustrated biography of Rick Moody

including rare images from the author's personal collection.

Do you believe there are ghosts and demons and Diviners among us? Evie O'Neill has been exiled from her boring old hometown and shipped off to the bustling streets of New York City--and she is positively ecstatic. It's 1926, and New York is filled with speakeasies, Ziegfeld girls, and rakish pickpockets. The only catch is that she has to live with her Uncle Will and his unhealthy obsession with the occult. Evie worries he'll discover her darkest secret: a supernatural power that has only brought her trouble so far. But when the police find a murdered girl branded with a cryptic symbol and Will is called to the scene, Evie realizes her gift could help catch a serial killer. As Evie jumps headlong into a dance with a murderer, other stories unfold in the city that never sleeps. A young man named Memphis is caught between two worlds. A chorus girl named Theta is running from her past. A student named Jericho hides a shocking secret. And unknown to all, something dark and evil has awakened.... Printz Award-winning and New York Times bestselling author Libba Bray opens a brand-new historical series with *The Diviners*, where the glittering surface of the Roaring Twenties hides a mystical horror creeping across the country.

A raw, unflinching, convention-defying memoir of substance abuse, depression, and guilt In his genre-bending memoir, Rick Moody, author of *The Ice Storm*, delves into not only his own tormenting struggle with depression and alcoholism but also the pathos inherent in American society. Beginning with his childhood and widening his gaze to his ancestral past, Moody elegantly details the events that led him to admit himself to a psychiatric hospital. Seeking explanations for his inner demons, Moody traces his lineage back to Joseph "Handkerchief" Moody. In early-eighteenth-century Maine, Joseph accidentally killed his childhood friend and wore a handkerchief over his face for the rest of his life as a self-imposed punishment. His story stirs within Moody a drive to understand his

own failings through a study of American violence from colonial times to the 1999 massacre at Columbine High School. Remarkably broad in scope and full of Moody's witticisms and brilliantly crafted prose, *The Black Veil* is an extraordinary exploration of both personal and cultural shame that transcends the expectations of a memoir. This ebook features an illustrated biography of Rick Moody including rare images from the author's personal collection.

This first novel by the acclaimed author of *Demonology* and *The Ice Storm* traces a group of friends in Haledon, New Jersey, through one Spring in their rocky passage towards adulthood. The kids are out of school, trying to start a band, trying to find work; looking for something to do within the degraded terrain of their suburban hometown. *Garden State* starkly captures the lyricism of their lives in an intense and unforgettable story of friendship and betrayal.

A BEST BOOK OF THE YEAR: NPR, National Post
BEST BOOKS FOR GIFTING 2015: Vanity Fair "This is Moody's best novel in many years...a book of irony and wit and heartbreak."
--Dwight Garner, New York Times
From the acclaimed Rick Moody, a darkly comic portrait of a man who comes to life in the most unexpected of ways: through his online reviews. Reginald Edward Morse is one of the top reviewers on RateYourLodging.com, where his many reviews reveal more than just details of hotels around the globe--they tell his life story. The puzzle of Reginald's life comes together through reviews that comment upon his motivational speaking career, the dissolution of his marriage, the separation from his beloved daughter, and his devotion to an amour known only as "K." But when Reginald disappears, we are left with the fragments of a life--or at least the life he has carefully constructed--which writer Rick Moody must make sense of. An inventive blurring of the lines between the real and the fabricated, *Hotels of North America* demonstrates Moody's mastery ability to push the bounds of the novel.

Access Free Demonology Stories By Rick Moody

This volume chronicles Gregory Crewdson's Twilight series, elaborate tableaux that capture bizarre surrealities behind deceptively familiar suburban facades. The images are accompanied by an essay from Rick Moody, a novelist renowned for exposing the underbelly of small-town, middle-class America.

During one month in the autumn of election year 2000, scores of movie-business strivers are focused on one goal: getting a piece of an elusive, but surely huge, television saga, the one that opens with Huns sweeping through Mongolia and closes with a Mormon diviner in the Las Vegas desert; the sure-to-please-everyone multigenerational TV miniseries about diviners, those miracle workers who bring water to perpetually thirsty (and hungry and love-starved) humankind. Among the wannabes: Vanessa Meandro, hot-tempered head of Means of Production, an indie film company; her harried and varied staff; a Sikh cab driver, promoted to the office of -theory and practice of TV; a bipolar bicycle messenger, who makes a fateful mis-delivery; two celebrity publicists, the Vanderbilt girls; a thriller writer who gives Botox parties; the daughter of an L.A. big-shot, who is hired to fetch Vanessa's Krispy Kremes and more; a word man who coined the phrase -- inspired by a true story; and a supreme court justice who wants to write the script. A few true artists surface in the course of Moody's rollicking but intricately woven novel, and real emotion eventually blossoms for most of Vanessa's staff at Means of Production, even herself. *The Diviners* is a cautionary tale about pointless ambition; a richly detailed look at the interlocking worlds of money, politics, addiction, sex, work, and family in modern America; and a masterpiece of comedy that will bring Rick Moody to a still higher level of appreciation.
