Full list of motorcycle service manuals for free download!

This post is about the dry sleeved IH diesel engines used in 806, 1206, 856, 1026, 1256 and 1456 tractors. These are the D361, DT361, D407 and DT407 engines. The sleeves in these engines are "dry" because they don't have any coolant against them. They are a replaceable block liner. They are very thin with a narrow flange at the top that fits a counter bore in the top of the block.
