In connection with due diligence, this book provides an update of the business world in light of the world's economy and links corporate governance, risk management and business planning to reflect such business, political and regulatory trends and changes. In recent years there has been much comment and feedback on the effectiveness of the Sarbanes-Oxley approach to corporate governance and many updates on business ethics and sustainability issues, which this book also covers in the context ...

Due Diligence Handbook: Corporate Governance, Risk ...

A recent case of due diligence scuppering a major acquisition highlights for me one of the core issues of corporate governance (and why corporate governance is important): the separation of ownership and control. But this time I put the spotlight on the investor companies not the businesses being acquired.
