Having doubts about your next step? Ask yourself what artist Frida Kahlo would do in this “beautiful volume . . . sure to inspire” (Boston Globe). Revered as much for her fierce spirit as she is for her art, Frida Kahlo stands today as a feminist symbol of daring creativity. Her paintings have earned her admirers around the world, but perhaps her greatest work of art was her own life. *What Would Frida Do?* celebrates this icon’s signature style, outspoken politics, and boldness in love and art—even in the face of hardship and heartbreak. We see her tumultuous marriage with the famous muralist Diego Rivera and rumored flings with Leon Trotsky and Josephine Baker. In this irresistible read, writer Arianna Davis conjures Frida’s brave spirit, encouraging women to create fearlessly and stand by their own truths.

From the bestselling author of *Searching for Sylvie Lee* and *Girl in Translation*, a novel about a young woman torn between her family duties in Chinatown and her escape into the world of ballroom dancing. Twenty-two-year-old Charlie Wong grew up in New York’s Chinatown, the older daughter of a Beijing

ballerina and a noodle maker. Though an ABC (America-born Chinese), Charlie's entire world has been limited to this small area. Now grown, she lives in the same tiny apartment with her widower father and her eleven-year-old sister, and works—miserably—as a dishwasher. But when she lands a job as a receptionist at a ballroom dance studio, Charlie gains access to a world she hardly knew existed, and everything she once took to be certain turns upside down. Gradually, at the dance studio, awkward Charlie's natural talents begin to emerge. With them, her perspective, expectations, and sense of self are transformed—something she must take great pains to hide from her father and his suspicion of all things Western. As Charlie blossoms, though, her sister becomes chronically ill. As Pa insists on treating his ailing child exclusively with Eastern practices to no avail, Charlie is forced to try to reconcile her two selves and her two worlds—Eastern and Western, old world and new—to rescue her little sister without sacrificing her newfound confidence and identity.
