Avoid Them

A curious ambiguity surrounds errors in professional working contexts: they must be avoided in case they lead to adverse (and potentially disastrous) results, yet they also hold the key to improving our knowledge and

Read Free Errornomics Why We Make Mistakes

And What We Can Do To Avoid Them

procedures. In a further irony, it seems that a prerequisite for circumventing errors is our remaining open to their potential occurrence and learning from them when they do happen. This volume, the first to integrate interdisciplinary perspectives on learning from errors at work, presents

Read Free Errornomics Why We Make Mistakes

theoretical concepts and empirical evidence in an attempt to establish under what conditions professionals deal with errors at work productively—in other words, learn the lessons they contain. By drawing upon and combining cognitive and action-oriented approaches to human error

Read Free Errornomics Why We Make Mistakes

with theories of adult, professional, and workplace learning this book provides valuable insights which can be applied by workers and professionals. It includes systematic theoretical frameworks for explaining learning from errors in daily working life, methodologies and research
