The Gift of the Magi is a treasured short story written by O. Henry. A young and very much in love couple can barely afford their one-room apartment, let alone the extra expense of getting Christmas presents for one another. But each is determined to show their love for the other in this traditional time of giving; each sells a thing they hold most dear in order to afford a present, with poignant and touching results that capture their love for one another.

Late on Christmas Eve, after the town has gone to sleep, a boy boards a mysterious train that waits for him: the Polar Express bound for the North Pole. When he arrives there, Santa offers him any gift he desires. The boy modestly asks for one bell from the reindeer's harness. It turns out to be a very special gift, for only believers in Santa can hear it ring. "Magical glowing double spread pictures . . . an original and memorable book." - Guardian "Evocative, realist pastels and atmospheric text." - Sunday Times "A thrilling tale." - Independent
