2006 Ford Freestyle The ford freestyle is a great family vehicle. The freestyle has room to seat 6 people, 2 in the front, 2 in the middle and 2 in the back. The back seats are more difficult to get to because the height down the center is not real tall. It is fine for children but more difficult for adults.

Ford has extended the warranty on the Ford Freestyle THROTTLE BODY SURGE PROBLEM. For most cars, it is now 10 years and 150,000 miles or if you have exceeded the mileage, you will have until May 2013. I received my letter today. The warranty extension is vehicle specific by VIN and the letters are addressed to the registered owner to that VIN.
