"Get Bent" is book #2 in the "Hard Rock Roots" series, and it starts off right where the story left off in the first book. Naomi is missing, and most people think she is dead. I loved how Turner refused to give up on the fact that she was alive. I had started to worry at the beginning when Turner was at his "bottom".

Get Bent is book 2 in the Hard Rock Roots series. It takes up right where Real Ugly left off: Naomi Knox is missing and Turner Campbell is a wreck. Naomi and Turner are on a music tour with their respective bands and have a very volatile love/hate relationship. Turner is in love, Naomi is still leaning towards hate.

I might be the one with the tattoo, but he's got the real thing, right there above his rock hard fucking pecs. I told him he didn't understand love, but he thinks he does. Whatever I believe about him, all I have to do is look in his eyes to know he truly feels something for me. I guess thinking I was dead pounded it in hard.

### **Get Bent (Hard Rock Roots) (C. M. Stunich) » p.10 » Global ...**

Get Bent was a fabulous sequel in the Hard Rock Roots series. A lot of the things that I enjoyed from the first book continued on into

this one. The groupies are still lingering and drugs and alcohol is still being passed around.

Real Ugly (Hard Rock Roots #1) - A Gritty Rock Star Romantic Suspense WARNING: You are about to dive into a dark, gritty world of sex, drugs, and rock 'n' roll. Don't start reading unless you're into true love, hot sex, music that touches the soul, and tall as f\*ck roller coasters. This series will make you laugh, cry, sweat, hate, love, think, and wonder. You will be torn in two and sewn back together, and you'll want it to happen all the h\*ll over again. The characters in this book will drive you crazy, and they'll curse like sailors. We all love the word f\*ck. A lot. Don't turn the page unless you're ready to get torn apart like the world's hardest rock riff. "These are real people with real problems. This is real life, and it's real f\*cked up." Turner Campbell is an a\*\*hole. I f\*cking hate him. But I can't get enough either. He sings like an angel and f\*cks like a devil. If I could, I'd run away and never look back because to tell you the truth, I think this man might be the death of me. & & Naomi Knox is a b\*tch. I can't f\*cking stand her. But I can't stop thinking about her either. She looks like an angel and plays like a devil. If I could, I'd f\*ck her good and forget all about her, but to tell you the truth, I think this woman might be my last saving grace.

NATIONAL BESTSELLER WINNER OF THE PULITZER PRIZE The searing, post-apocalyptic novel about a father and son's fight to survive. A father and his son walk alone through burned America. Nothing moves in the ravaged landscape save the ash on the wind. It is cold enough to crack stones, and when the snow falls it is gray. The sky is dark. Their destination is the coast, although they don't know what, if anything, awaits them there. They have nothing; just a pistol to defend themselves against the lawless bands that stalk the road, the clothes they are wearing, a cart of scavenged food—and each other. *The Road* is the profoundly moving story of a journey. It boldly imagines a future in which no hope remains, but in which the father and his son, "each the other's world entire," are sustained by love. Awesome in the totality of its vision, it is an unflinching meditation on the worst and the best that we are capable of: ultimate destructiveness, desperate tenacity, and the tenderness that keeps two people alive in the face of total devastation. A *New York Times* Notable Book One of the Best Books of the Year *The Boston Globe*, *The Christian Science Monitor*, *The Denver Post*, *The Kansas City Star*, *Los Angeles Times*, *New York, People*, *Rocky Mountain News*, *Time*, *The Village Voice*, *The Washington Post*

Canadian progressive rock band Rush was the voice of the suburban middle class. In this book, Chris McDonald assesses the band's impact on popular music and its legacy for legions of fans. McDonald explores the ways in which Rush's critique of suburban life—and its strategies for escape—reflected middle-class aspirations and anxieties, while its performances manifested the dialectic in prog rock between discipline and austerity, and the desire for spectacle and excess. The band's reception reflected the internal struggles of the middle class over cultural status. Critics cavalierly dismissed, or apologetically praised, Rush's music for its middlebrow leanings. McDonald's wide-ranging musical and cultural analysis sheds light on one of the most successful and enduring rock bands of the 1970s and 1980s.

One of BookRiot's Must-Read Books from Indie Presses for 2014 "Prato has curated a collection to attract the uninitiated as well as preach to the unwashed converted masses." --*Examiner.com* "It's a wild ride that's vividly captured in Greg Prato's excellent oral history, *Primus: Over the Electric Grapevine*." --*Bass Player Magazine* "A book about the highly strange San Franciscans Primus has been overdue for years, so Greg Prato's excellent oral history of the band is welcome--doubly so, given that the key bandmembers, Les Claypool, Larry Lalonde and Tim Alexander, are involved....Great stuff." --*Record Collector Magazine* "A master storyteller, skilled in the art of assembling oral histories that not only examine their subjects in great depth but also spin a great yarn, Prato is able to combine a thorough study of Claypool's eccentric genius with a relaxed, free-flowing narrative of the Primus's origins story, detailing influences

and lineup changes, early performances and the making of landmark Primus albums....[The book] doesn't get bogged down by minutiae, and although it could be called an 'exhaustive' work, it's far from an exhausting read." --Backstage Auctions "Esteemed journalist and rock historian Greg Prato brings his estimable literary skills in unwrapping the enigma of Primus....If you loved Primus before but maybe didn't understand everything they did, that will change after reading this. In fact, when you finish the last page here, race over to your Primus CD collection and re-listen to all their music with new and educated ears. Their music will never have sounded so good." --Curled Up With a Good Book "Almost as if you're sitting across from them at the bar as they reminisce about the past...this book was the most fun I've had reading a book all year. Go get it!" --Erlenmeyer's Mind Praise for Primus: "They were real musicians' musicians...Primus had their own thing, for sure. Nobody really does that Primus thing--they have their own personality, which is something difficult to do." --Chad Smith, Red Hot Chili Peppers "Primitive, animated, dinosaur, Halloween, trailerfunk. I felt Les was a kindred spirit. Someone I could learn from and collaborate with. Quick, schooled, humble, with an amazing musical lexicon and down home as hell, with a bent sense of humor." --Tom Waits Usually when the "alternative rock revolution" of the early 1990s is discussed, Nirvana's Nevermind is credited as the recording that led the charge. Yet there were several earlier albums that helped pave the way, including the Pixies' Doolittle, the Red Hot Chili Peppers' Mother's Milk, Jane's Addiction's Nothing's Shocking, and especially Primus's 1991 album Sailing the Seas of Cheese. This fascinating and beautifully curated oral history tells the tale of this truly one-of-a-kind band. Compiled from nearly fifty all-new interviews conducted by journalist/author Greg Prato--including Primus members past and present and many more fellow musicians--this book is sure to appeal to longtime fans of the band, as well as admirers of the musicians interviewed for the book. Interviewees include: Tim Alexander, Trey Anastasio (Phish), Matthew Bellamy (Muse), Les Claypool, Stewart Copeland (The Police), Chuck D (Public Enemy), Kirk Hammett (Metallica), Larry LaLonde, Geddy Lee (Rush), Mickey Melchiondo (Ween), Tom Morello (Rage Against the Machine), Chad Smith (Red Hot Chili Peppers), Matt Stone (South Park), Tom Waits, and many more.

A Newbery Honor WinnerA New York Times Bestseller This stunning fantasy inspired by Chinese folklore is a companion novel to Starry River of the Sky and the New York Times bestselling and National Book Award finalist When the Sea Turned to Silver In the valley of Fruitless mountain, a young girl named Minli lives in a ramshackle hut with her parents. In the evenings, her father regales her with old folktales of the Jade Dragon and the Old Man on the Moon, who knows the answers to all of life's questions. Inspired by these stories, Minli sets off on an extraordinary journey to find the Old Man on the Moon to ask him how she can change her family's fortune. She encounters an assorted cast of characters and magical creatures

along the way, including a dragon who accompanies her on her quest for the ultimate answer. Grace Lin, author of the beloved Year of the Dog and Year of the Rat returns with a wondrous story of adventure, faith, and friendship. A fantasy crossed with Chinese folklore, Where the Mountain Meets the Moon is a timeless story reminiscent of The Wizard of Oz and Kelly Barnhill's The Girl Who Drank the Moon. Her beautiful illustrations, printed in full-color, accompany the text throughout. Once again, she has created a charming, engaging book for young readers.
