The best guide to Mexico's finest vacation destination Joshua Hinsdale's insider knowledge and selective recommendations make this book a must- have for your sojourn on the Yucatán Peninsula. Let it help you make the most of your time in this beautiful place: delve deep into fascinating Mayan ruins, explore the pedestrian boardwalk in Playa del Carmen, or fish for elusive bonefish along the famous Sian Ka'an biosphere reserve in Punta Allen. This new edition features gorgeous new photography; detailed maps; rich history; a glossary of English to Spanish phrases; a rundown of the best local swimming lagoons, hidden beaches, and taco bars; events calendars; and much more. Regions include: • Puerto Aventuras • Cozumel • Cancún • Isla Mujeres

Si eres un joven que anhela abrir un negocio, un emprendedor, empresario o presidente de una compañía que quiere encontrar la forma de crecer y revolucionar el mercado, Disrupción es para ti. Con este libro: - Aprenderás qué estrategia han usado los grandes emprendedores para crecer y cambiar el mundo. - Conocerás a detalle los secretos que hay detrás de una DISRUPCIÓN y las herramientas que necesitas aplicar. - Identificarás por qué las nuevas empresas crecen a través de la disrupción y las grandes sólo crecen comprando más empresas por el mundo. - Comprenderás el rol que tiene la tecnología digital para el crecimiento en productos y en tu diseño de negocio. - Verás que cuando integras tecnología y resuelves un problema del consumidor, evolucionas. - Descubrirás por qué los disruptores transforman sus negocios en empresas millonarias en pocos años. - Podrás ver tu negocio y las oportunidades del mercado desde una perspectiva como nunca antes la habías visto. - Recibirás consejos para pensar como LÍDER DISRUPTOR y transformar tu empresa. - Aprenderás el algoritmo que debes construir para obtener una DISRUPCIÓN y cómo aplicarlo en tu empresa. Durante los próximos años habrá un mercado más complejo y difícil de conquistar, por eso este libro no es para aquellos que quieren mejorar, es para aquellos que quieren cambiar y reinventarse. ¡Atrévete a cambiar las reglas del juego! Por el autor del bestseller El arte de hacer preguntas.

A New York Times Bestseller! "Georgette Heyer is the Queen of the Regency Romance. Long may she reign!" -New York Times bestselling author LAUREN WILLIG A reader favorite from the Queen of Regency Romance, The Grand Sophy is a utterly hilarious and completely endearing story of Sophy and the outrageous lengths she goes to solve everyone else's problems, and the surprises in store for everyone! When Sir Horace Stanton-Lacy is ordered to South America on Diplomatic Business he parks his only daughter, Sophy, with his sister in Berkeley Square. Forward, bold, and out-spoken, Sophy sweeps in and immediately takes ton by storm. Upon her arrival, Sophy can see that her cousins are in a sad tangle: Ceclia is in love with a poet, Charles is engaged to a dour bluestocking, her uncle is of no use at all, and the younger children are in desperate need of some fun and freedom. They all need her help and it's providential that Sophy arrives when she does. What reviewers are saying about The Grand Sophy "The Grand Sophy was an exciting, charming read. The characters grab you and don't let go." -Anna's Book Blog "Fun, engaging and hilarious, I cannot recommend it more highly. Sophy is a devilishly fine girl." - AustenProse "The Grand Sophy is a very entertaining Regency romance with wonderfully eccentric characters and a very humorous plot."-Once Upon a Romance

What if life isn't just a part of the universe . . . what if it determines the very structure of the universe itself? The theory that blew your mind in Biocentrism and Beyond Biocentrism is back, with brand-new research revealing the startling truth about our existence. What is consciousness? Why are we here? Where did it all come from—the laws of nature, the stars, the universe? Humans have been asking these questions forever, but science hasn't succeeded in providing many answers—until now. In The Grand Biocentric Design, Robert Lanza, one of Time Magazine's "100 Most Influential People," is joined by theoretical physicist Matej Pavšič and astronomer Bob Berman to shed light on the big picture that has long eluded philosophers and scientists alike. This engaging, mind-stretching exposition of how the history of physics has led us to Biocentrism—the idea that life creates reality—takes readers on a step-by-step adventure into the great science breakthroughs of the past centuries, from Newton to the weirdness of quantum theory, culminating in recent revelations that will challenge everything you think you know about our role in the universe. ?This book offers the most complete explanation of the science behind Biocentrism to date, delving into the origins of the memorable principles introduced in previous books in this series, as well as introducing new principles that complete the theory. The authors dive deep into topics including consciousness, time, and the evidence that our observations—or even knowledge in our minds—can affect how physical objects behave. The Grand Biocentric Design is a one-of-a-kind, groundbreaking explanation of how the universe works, and an exploration of the science behind the astounding fact that time, space, and reality itself, all ultimately depend upon us.

This guidebook also contains: A wide selection of the best hotels, restaurants and nightclubs, for all tastes and budgets; Thorough descriptions of all the sights and beaches, star-rated so you can spot the must-sees at a glance; The full scoop on water sports, including scuba diving, snorkelling, sailing and fishing; A handy English-Spanish glossary.

Mexico enthusiast and veteran travel writer Bruce Whipperman knows the best way to experience Puerto Vallarta, from dining at new restaurants in De Santos and Xitomate to snorkeling in the Bay of Matanchén. Whipperman includes unique trip ideas like Eight Hours in Puerto Vallarta (a walking tour ideal for cruise travelers) and Five-Day Best of Puerto Vallarta. Packed with information on dining, transportation, and accommodations, Moon Puerto Vallarta has lots of options for a range of travel budgets. Every Moon guidebook includes recommendations for must-see sights and many regional, area, and city-centered maps. Complete with details on Puerto Vallarta's gay scene, the best beaches, shopping for Huichol crafts, and a Four Color section, Moon Puerto Vallarta gives travelers the tools they need to create a more personal and memorable experience. With expert writers, first-rate strategic advice, and an essential dose of humor, Moon guidebooks are the cure for the common trip.

Taken together, these essays redefine the preconceived notion of Soviet happiness as the product of official ideology imposed from above and expressed predominantly through collective experience, and provide evidence that the formation of the concept of individual happiness was not contained by the limitations of important state projects, controlled by state policies and aimed toward the creation of a new society.

Recounts the author's experiences with the reclusive Tarahumara Indians, whose techniques allow them to run long distances with ease, and describes his training for a fifty-mile race with the tribe and a number of ultramarathoners.
