Guided reading helps students develop greater control over the reading process through the development of reading strategies which assist decoding and construct meaning. The teacher guides or 'scaffolds' their students as they read, talk and think their way through a text (Department of Education, 1997).

Why teach guided reading?
You get to read with kids in a small and intimate group which helps you get to know their strengths and weaknesses. The students learn and establish the fundamental skills for high level reading.
