Presents motivational and inspirational advice for achieving personal success and dealing with hardship.

Defining success is a difficult task. Most people equate it with wealth, power, and happiness. However, true success is not a thing you acquire or achieve. Rather, it is a journey you take your whole life long. In a refreshingly straightforward style, John Maxwell shares unique insights into what it means to be successful. And he reveals a definition that puts genuine success within your reach yet motivates you to keep striving for your dreams. I want to help you discover your personal road map for success, teach you what it means to be on the success journey, answer many of your questions, and equip you with what you'll need to change yourself and keep growing. - John C. Maxwell

“This book is packed with really wonderful mind sets, reframes, and psychology tips, all backed with references and real science. This is like the “best of the best” self help tips.”~ Tim Brennan, Author of '1001 Chess Tactics' “...incredibly useful book filled with scientifically backed advice on how to successfully reach your goals.”~ Ryan Berd **HOW SUCCESSFUL PEOPLE THINK DIFFERENTLY** Why is it that some people are able to achieve so much success - in their personal, professional, social lives - whereas so many others are struggling? What are successful people doing differently from the failures? Are successful people wired differently from the rest of us? Is success simply encoded in their DNA? Or is it something else? And the more important question is: How can we get access to the magic ingredient that successful people have and add it to our own lives so that we too may experience more success in our lives? **LEARN HOW SUCCESSFUL PEOPLE THINK DIFFERENTLY - AND HOW YOU CAN TOO** This short and practical guide will inspire you to rethink how you set and achieve your goals. In *How Successful People Think Differently* you will learn: •Why successful people say “I don’t” instead of “I can’t” •Why successful people never suppress their desires - and what they do instead •How successful people think smart •The “if-then” strategy that triples your chances of achieving success •The type of thinking that makes successful people successful in the first place •The wrong (and the right) way to visualize your goals (this alone will be worth the price of the book!) •The right (and the wrong) type of thinking that either sets you up for success or failure •Simple, and sometimes surprising, success principles to help you achieve your goals •And a lot more... **BASED ON INTENSIVE SCIENTIFIC RESEARCH: LEARN THE SCIENCE OF SUCCESS** In the last 100 years, science has made remarkable progress in unlocking the secrets behind successful people. Unfortunately, a lot of this great, life-changing research is hidden inside dense, boring, hard-to read academic literature. Fortunately, I've gone through that research for you - and in this success guide, you're going to be getting access to life-changing tools and strategies that are scientifically-proven to help you achieve your personal and career goals, whatever they may be. **JUST ONE IDEA...** Just one idea in this book might be the inspiration and the spark of change you are looking for...just one idea can change your life. **RAVE REVIEWS FROM READERS:** “How Successful People Think Differently is a quick, easy read packed with practical tips and easy-to-follow advice...This book is for anyone who wants to aim higher.”~ Gillian Findlay "Illustrated by many examples from real life and generously filled with scientific references and suggestions for further reading, this book is a 'must have' for anyone who wishes to better themselves in life.”John Joyce, Author of “Masterpiece” “I was pleasantly surprised that I learned new tips from this book. It gave me great ideas on how to think differently and put tips into place to change habits and create a more successful life.”~ Stacy Nichols “This is a good book for many people who are still clinging to the fence, procrastinating and not achieving their goals. I highly recommend it!”~ Allan Kaufman, DTM, MBA “Just when I thought I knew about everything, along comes this book. It is a great non fiction book filled with many useful tips...”~ William Leland

Henry Ford is considered an icon of American business for revolutionizing the automobile industry. So what caused him to stumble so badly that his son feared Ford Motor Company would go out of business? He was held captive by the Law of Empowerment.

A blueprint to maximize your potential, this workbook companion to an essential John Maxwell guide is filled with action-oriented business wisdom and examples of professionals from all walks of life to light your path to becoming a talent-plus person. New York Times best-selling author Dr. John C. Maxwell has a message for you, and for today's corporate culture fixated on talent above all else: **TALENT IS NEVER ENOUGH**. Some talented people reach their full potential, while others self-destruct or remain trapped in mediocrity. What makes the difference? Maxwell, the go-to guru for business professionals across the globe, insists that the choices people make-not merely the skills they inherit-propel them onto greatness. Among other truths, successful people know that: Belief lifts your talent. Initiative activates your talent. Focus directs your talent. Preparation positions your talent. Practice sharpens your talent. Perseverance sustains your talent. Character protects your talent. . . . and more!! In this companion Workbook, Maxwell outlines the thirteen crucial things you can do to maximize your natural talents and become a "Talent-plus" person.
