Soup is one of the absolute easiest meals to make when you don't have much in the house. You don't need a recipe, and nearly anything you don't have can be easily swapped out with something else. You'll need some kind of broth-y base, whether it's a frozen stock, a boxed stock, or a base you mix with water to form a broth.

Okay, here's a short 6th tip. Just because you have him in your mouth, doesn't mean you can't stop every now and then to talk dirty to him. Make it fun, say something naughty, ask him whether he enjoys it. Communicate. Moan. Tell him how much you love being right there, right now. And don't just communicate with your words, but also with your eyes.

One of the first things I ever learned to bake was Banana Bread, and I feel like over the years, I have found the best banana bread recipe which I pretty much make it all the time. We don't eat many bananas at my house, but I definitely buy them all the time. So, last weekend we were going to a BBQ and I had volunteered to bring dessert.

Some recipes call specifically for either unbleached or bleached all-purpose flour. The difference between the two types is negligible; bleaching is done with chemicals that give the flour a whiter hue, while unbleached is slightly creamier in color. Bottom line: All-purpose flour was created so that home bakers ...
