EXPLORACIONES transforms students into culturally competent Spanish speakers by providing learning strategies, systematic self-assessments, integration of the National Standards, and a focus on the practical purposes of language study. Created through a “ student-tested, faculty-approved ” review process with thousands of students and hundreds of faculty, this text is an engaging and accessible solution. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Created through a "student-tested, faculty-approved" review process with thousands of students and hundreds of faculty, EXPLORACIONES is an engaging and accessible solution to accommodate the diverse lifestyles of today's learners.

The CONECTADOS Communication Manual includes standards-based activities designed for in-class use, with an emphasis on interpersonal communication. The program is composed of 12 chapters, which can easily be divided over semesters or quarters. Core information (thematic vocabulary, grammatical structures, and functional language) is integrated into manageable pasos. The end of each chapter in the Communication Manual is comprised of four sections, which the instructor can mix and match. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Set around 12 German-speaking people and the worlds they live in, WELTEN focuses on the development of communicative competence and literacy through texts in various modalities. WELTEN helps students to acquire and practice functional language abilities while at the same time developing interpretive and analytical competencies and an appreciation of the aesthetic qualities of language. Through current, relevant, and meaningful materials, students learn to use language while seeing the world through the eyes of others, ultimately learning about themselves and the world they live in. With its innovative and integral video program, its contextualized and learner-centered presentation of grammar, and its unique selection of engaging texts from a broad range of genres, WELTEN brings a new approach to introductory German. NOT AVAILABLE SEPARATELY, AUTOMATICALLY COMES PACKAGED WITH AN AUDIO CD.

Written by David Cohen and co-authors Theodore B. Lee and David Sklar, PRECALCULUS, Seventh Edition, focuses on the use of a graphical perspective to provide a visual understanding of college algebra and trigonometry. Cohen's texts are known for their clear writing style and outstanding, graded exercises and applications, including many examples and exercises involving applications and real-life data. Graphs, visualization of data, and functions are introduced and emphasized early on to aid student understanding. Although the text provides thorough treatment of the graphing calculator, the material is arranged to allow instructors to teach the course with as much or as little graphing utility work as they wish. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

LIAISONS is an innovative beginning-level French program firmly grounded in principles of communicative language teaching and research in second language acquisition. Components of the program are carefully linked together, showing students how they can make connections with their classmates, their instructor, their community, and the French-speaking world. With an engaging mystery film shot on location in Montreal, Quebec, and Paris, the program provides a rich array of communicative activities designed to stimulate interaction inside and outside the classroom. The underlying pedagogical framework in LIAISONS asks students to first discover new vocabulary and grammar through different mediums, then connect form and meaning through a set of confidence-building activities, and finally, actively create language. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.
