JRCALC Clinical Practice Guidelines - aace.org.uk

In 2013, the intellectual property rights of the clinical guidelines were novated from the Ambulance Service Association (ASA) to AACE who now act to protect the copyright of the clinical guidelines. The guidelines are available to purchase via the AACE website and can be obtained in both electronic and print formats. At present, JRCALC are unable to host free access to the guidelines.

About

The guidelines have evolved from locally-derived protocols (mainly developed using non-systematic approaches) to systematically-developed national clinical practice guidelines based on current best evidence. The Joint Royal Colleges Ambulance Liaison Committee Guideline Development Group (JRCALC-GDG), chaired by Dr Simon Brown, was responsible for developing and reviewing national clinical practice guidelines for NHS paramedics although the principles are applicable to all pre-hospital ...

JRCALC Clinical Practice Supplementary Guidelines 2017 ...

JRCALC is the Joint Royal Colleges Ambulance Liaison Committee. Their role is to provide robust clinical speciality advice to ambulance services within the UK and it publishes regularly updated clinical guidelines. The first meeting of JRCALC was in 1989 and was hosted by the Royal College of Physicians, London. The guidelines are supposed to be produced from evidence-based medicine. However, organisations such as the College of Paramedics have criticised the committee for poor reference to a val
