In 1938 Paris, Nicholas Morath, a Hungarian aristocrat and charismatic former cavalry officer, is recruited by his uncle, Count Janos Polanyi, to try to bring down the Hungarian fascists, as Europe moves ever closer to all-out war under the shadow of Hitler and the Nazi war machine. Reader's Guide included. Reprint. 50,000 first printing.

Kingdom of Shadows must be called a spy novel, but it transcends genre, as did some Graham Greene and Eric Ambler classics. The Washington Post Paris, 1938. As Europe edges toward war, Nicholas Morath, an urbane former cavalry officer, spends his days working at the small advertising agency he owns and his nights in the bohemian circles of his Argentine mistress. But Morath has been recruited by his uncle, Count Janos Polanyi, a diplomat in the Hungarian legation, for operations against Hitler's Germany. It is Morath who does Polanyi's clandestine work, moving between the beach cafés of Juan-les-Pins and the forests of Ruthenia, from Czech fortresses in the Sudetenland to the private gardens of the déclassé royalty in Budapest. The web Polanyi spins for Morath is deep and complex and pits him against German intelligence officers, NKVD renegades, and Croat assassins in a shadow war of treachery and uncertain loyalties, a war that Hungary cannot afford to lose. Alan Furst is frequently compared with Eric Ambler, Graham Greene, and John le Carré, but Kingdom of Shadows is distinctive and entirely original. It is Furst at his very best. intertwined and seem to arise effortlessly from the author's consciousness. "Janet Maslin, The New York Times "Subtly spun, sensitive to nuances, generous with contemporary detail and information discreetly conveyed. . . . It's hard to overestimate Kingdom of Shadows." Eugen Weber, Los Angeles Times "A triumph: evocative, heartfelt, knowing and witty." Robert J. Hughes, The Wall Street Journal "Imagine discovering an unscreened espionage thriller from the late 1930s, a classic black- and- white movie that captures the murky allegiances and moral ambiguity of Europe on the brink of war. . . . Nothing can be like watching Casablanca for the first time, but Furst comes closer than anyone has in years." Walter Shapiro, Time

A novel of adventure and intrigue in wartime Europe Paris, 1938. Nicholas Morath, former Hungarian cavalry officer, returns home to his young mistress in the 7th arrondissement. He's been in Vienna where, amid the mobs screaming for Hitler, he's done a quiet favour for his uncle, Count Janos Polanyi. Polanyi is a diplomat and, desperate to stop his country's drift into alliance with Nazi Germany, he trades in conspiracy - with SS renegades, Abwehr officers, British spies and NKVD defectors, leading Morath deeper and deeper into danger as Europe edges towards war.

Bulgaria, 1934. A young man is murdered by the local fascists. His brother, Khristo Stoianev, is recruited into the NKVD, the Soviet secret intelligence service, and sent to Spain to serve in its civil war. Warned that he is about to become a victim of Stalin's purges, Khristo flees to Paris. monde in 1937 Paris, and guerrilla operations with the French underground in 1944. Night Soldiers is a scrupulously researched panoramic novel, a work on a grand scale.

From Alan Furst, often compared to John le Carré, Graham Greene, and Eric Ambler, and praised as the best spy novelist ever, a trio of his classic works Furst, known for panoramic vision, deep authenticity, and a magnificent eye for historical detail, always sets his novels in the twilight world of Europe in the 1930s and first years of World War II, when the British, Russian, German, and many other spy services fought it out in the alleys and grand hotels of Paris, Berlin, and other cities on the Continent. The three classic spy novels in this "read all night" eBook bundle will transport you to the dark conflict between fascists, communists, and the people who fought back against them. Includes a preview of Alan Furst's new novel, Mission to Paris—with movie stars, elite spies, and German political warfare—on sale in June. "The writing in Mission to Paris, sentence after sentence, page after page, is dazzling. If you are a John le Carré fan, this is definitely a novel for you." James Patterson "I am a huge fan of Alan Furst. Furst is the best in the business—the most talented espionage novelist of our generation." Vince Flynn NIGHT SOLDIERS Bulgaria, 1934. panoramic novel, a work on a grand scale. **THE WORLD AT NIGHT** Paris, 1940. The civilized, upper-class life of film producer Jean Casson is derailed by the German occupation of Paris, but Casson learns that with enough money, compromise, and connections, one need not deny oneself the pleasures of Parisian life. Somewhere inside Casson, though, is a stubborn romantic streak. When he's offered the chance to take part in an operation of the British secret service, this idealism gives him the courage to say yes. A simple mission, but it goes wrong, and Casson realizes that he must gamble everything—his career, the woman he loves, life itself. Here is a brilliant re-creation of France—its spirit in the moment of defeat, its valor in the moment of rebirth. **KINGDOM OF SHADOWS** Paris, 1938. NEW YORK TIMES BESTSELLER "[Furst] glides gracefully into an urbane pre-World War II Europe and describes that milieu with superb precision." Janet Maslin, *The New York Times*

In the autumn of 1940, Russian émigré journalist I. A. Serebin is recruited in Istanbul by an agent of the British secret services for a clandestine operation to stop German importation of Romanian oil—a last desperate attempt to block Hitler's conquest of Europe. Serebin's race against time begins in Bucharest and leads him to Paris, the Black Sea, Beirut, and, finally, Belgrade; his task is to attack the oil barges that fuel German tanks and airplanes. *Blood of Victory* is a novel with the heart-pounding suspense, extraordinary historical accuracy, and narrative immediacy we have come to expect from Alan Furst. *Praise for Blood of Victory*

"Densely atmospheric and genuinely romantic, the novel is most reminiscent of the Hollywood films of the forties, when moral choices were rendered not in black-and-white but in smoky shades of gray." *The New Yorker*

"Furst's achievement is a moral one, producing a powerful testament to fiction's ability to re-create the experience of others, and why it is so deeply important to do so." *Neil Gordon, The New York Times Book Review*

"Richly atmospheric and satisfying." *Deirdre Donahue, USA Today*

From Alan Furst, whom *The New York Times* calls "America's preeminent spy novelist," comes an epic story of romantic love, love of country, and love of freedom—the story of a secret war fought in elegant hotel bars and first-class railway cars, in the mountains of Spain and the

backstreets of Berlin. It is an inspiring, thrilling saga of everyday people forced by their hearts' passion to fight in the war against tyranny. By 1938, hundreds of Italian intellectuals, lawyers and journalists, university professors and scientists had escaped Mussolini's fascist government and taken refuge in Paris. There, amid the struggles of émigré life, they founded an Italian resistance, with an underground press that smuggled news and encouragement back to Italy. Fighting fascism with typewriters, they produced 512 clandestine newspapers. The Foreign Correspondent is their story. Paris, a winter night in 1938: a murder/suicide at a discreet lovers' hotel. But this is no romantic tragedy—it is the work of the OVRA, Mussolini's fascist secret police, and is meant to eliminate the editor of *Liberazione*, a clandestine émigré newspaper. Carlo Weisz, who has fled from Trieste and secured a job as a foreign correspondent with the Reuters bureau, becomes the new editor. Weisz is, at that moment, in Spain, reporting on the last campaign of the Spanish civil war. But as soon as he returns to Paris, he is pursued by the French Sûreté, by agents of the OVRA, and by officers of the British Secret Intelligence Service. In the desperate politics of Europe on the edge of war, a foreign correspondent is a pawn, worth surveillance, or blackmail, or murder. The Foreign Correspondent is the story of Carlo Weisz and a handful of antifascists: the army officer known as "Colonel Ferrara," who fights for a lost cause in Spain; Arturo Salamone, the shrewd leader of a resistance group in Paris; and Christa von Schirren, the woman who becomes the love of Weisz's life, herself involved in a doomed resistance underground in Berlin. The Foreign Correspondent is Alan Furst at his absolute best—taut and powerful, enigmatic and romantic, with sharp, seductive writing that takes the reader through darkness and intrigue to a spectacular denouement.

Jacey's Kingdom is an enthralling tale that revolves around a startlingly desperate reality: Jacey Jackson, a talented student destined for Cambridge, collapses with a brain tumour while sitting her final history exam at school. In her mind she struggles through a quasi-historical sixth century dreamscape whilst the surgeons fight to save her life. Jacey is helped by a stranger called George, who finds himself trapped in her nightmare after a terrible car accident. There are quests, battles, and a love story ahead of them, before we find out if Jacey will awake from her coma or perish on the operating table. And who, or what, is George? In this book, Dave Weaver questions our perception of reality and the redemptive power of dreams; are our experiences of fear, conflict, friendship and love any less real or meaningful when they take place in the mind rather than the "real" physical world? Dave Weaver has been writing for ten years, with short stories published in anthologies, magazines and online in the UK and USA. Jacey's Kingdom is his first published novel. He cleverly weaves a tale that takes the almost unimaginable drama of an eighteen year-old girl whose life is in the balance, relying on modern surgery to bring her back from the brink, and conceives the world that she has constructed in her mind to deal with the trauma happening to her body. Developing the friendship between Jacey and George in a natural and witty style, despite their unlikely situation and the difference in their ages, Dave has produced a story that is both exciting and thought-provoking. This book will be a must-read story for adults and young adults alike.
