I bet the £20 cut will not happen, as not even he can level up and down at the same time. Just before that October axe falls, in a heroic gesture of “generosity”, he will save it. So why not now?

Dennis, the son of Chinese immigrants, yearns to play video games like his friends and, upon his strict father's death, becomes obsessed with them but later, realizing how his father sacrificed for him, he chooses a nobler path.

Readers will follow the 15 personal power-ups the author used to transform himself from academic and social failure to wildly successful marketing entrepreneur and podcaster--by applying his mindset as a competitive eSports gamer to real-life situations.ions.

Design and build cutting-edge video games with help from video game expert Scott Rogers! If you want to design and build cutting-edge video games but aren't sure where to start, then this is the book for you. Written by leading video game expert Scott Rogers, who has designed the hits Pac Man World, Maxim vs. Army of Zin, and SpongeBob Squarepants, this book is full of Rogers's wit and imaginative style that demonstrates everything you need to know about designing great video games. Features an approachable writing style that considers game designers from all levels of expertise and experience Covers the entire video game creation process, including developing marketable ideas, understanding what gamers want, working with player actions, and more Offers techniques for creating non-human characters and using the camera as a character Shares helpful insight on the business of design and how to create design documents So, put your game face on and start creating memorable, creative, and unique video games with this book!

Reach your peak psychological potential with these 120 activities that challenge and build emotional strength, flexibility, and resiliency so you can overcome any obstacle. Mental toughness no longer has to be reserved for Navy Seals, world-class athletes, or high-powered CEOs. Now you can also experience this trait to help you succeed and reach your peak potential. You can train yourself to take on these challenges with ease. In Level Up, learn how to tackle any obstacle with composure, clear thinking, and dexterity. This activity-based book builds your mental strength through 120 exercises, prompts, quizzes, and more. These exercises will help you increase your mental focus, emotional resiliency, and psychological agility, all of which allow you to constantly evaluate where you are and keep pushing you closer to your goals. Work through your aspirations without getting bogged down by the obstacles and experience mental toughness—no matter how hard things get.

A must-read guide for small business owners navigating a critical turning point: when you either level up or give up. It's never been easier to start a business--and it's never been harder to scale it. Half of new businesses in America don't make it past five years. Stacey Abrams and Lara Hodgson want to help today's entrepreneurs beat the odds by revealing the unseen tethers that keep small businesses from growing and thriving. Drawing on firsthand experience starting and scaling multiple companies over nearly two decades, Now® cofounders Abrams and Hodgson crystallize their hard-won advice into a single how-to, got-to guide for small business owners. In Level Up, they share intense behind-the-scenes stories of building their own businesses, as well as actionable, get-it-done principles for founders looking to propel their ventures forward. This is straight talk from the trenches on real issues like hiring, identifying a revenue strategy, recognizing when growth is a trap, and managing cash flow, from a duo that's been there. Abrams and Hodgson also elevate and share the experiences of other successful founders including, Jules Pieri of The Grommet, Alisa Clark of Glory Professional Services, and Sheila Jordan of Knowledge Architects. New businesses started by entrepreneurs drive net new job growth. Yet, for the last four decades, startups have increasingly struggled to overcome a system of red tape and barriers to capital and commerce. As a new generation of founders launches a flurry of firms in the wake of the pandemic recession, Abrams and Hodgson offer key insights and support to help entrepreneurs break free and get to the next level.

In 5 years, Steve Kamb has transformed himself from wanna-be daydreamer into a real-life superhero and actually turned his life into a gigantic video game: flying stunt planes in New Zealand, gambling in a tuxedo at the Casino de Monte-Carlo, and even finding Nemo on the Great Barrier Reef. To help him accomplish all of these goals, he built a system that allowed him to complete quests, take on boss battles, earn experience points, and literally level up his life. If you have always dreamed of adventure and growth but can't seem to leave your hobbit-hole, Level Up Your Life is for you. Kamb will teach you exactly how to use your favorite video games, books, and movies as inspiration for adventure rather than an escape from the grind of everyday life. Hundreds of thousands of everyday Joes and Jills have joined Steve's Rebellion through his popular website, NerdFitness.com, and leveled up their lives—losing weight, getting stronger, and living better. In Level Up Your Life, you'll meet more than a dozen of these members of The Rebellion: men and women, young and old, single and married, from all walks of life who have created superhero versions of themselves to live adventurously and happily. Within this guide, you'll follow in their footsteps and learn exactly how to: Create your own "Alter Ego" with real-life super powers Build your own Epic Quest List, broken into categories and difficulty levels Hack your productivity habits to start making progress Train your body for any adventure Build in rewards and accountability that will actually motivate you to succeed Travel the world freely (and cheaply) Recruit the right allies to your side and find powerful mentors for guidance Adventure is out there, and the world needs more heroes. Will you heed the call?

The first book in Cathy Yardley's Fandom Hearts series, Level Up, now with a bonus epilogue and an exclusive sneak peek at the next book in the series, One True Pairing! Geeky introvert Tessa Rodriguez will do whatever it takes to get promoted to video game engineer- including create a fandom-based video game in just three weeks. The only problem is, she can't do it alone. Now, she needs to strong-arm, cajole, and otherwise socialize with her video game coworkers, especially her roommate, Adam, who's always been strictly business with her. The more they work together, though, the closer they get... Adam London has always thought of his roomie Tessa as “one of the guys” until he agreed to help her with this crazy project. Now, he’s thinking of her all the time... and certainly as something more than just a roommate! But his last girlfriend broke up with him to follow her ambitions, and he knows that Tessa is obsessed with getting ahead in the video game world. Going from friends to something more is one hell of a challenge. Can Tessa and Adam level up their relationship to love?

If you have read the original Level Up series, we would like to warn you at once: the book has another protagonist, although the setting is the same. The chronology of the events described in this book is the same as that of the first two books in the Level Up series (Restart and Hero)Mike Hagen, an American nicknamed "Crybaby," became one of those chosen to be given an augmented reality interface. However, his favorite game was an MMA fighter-possibly, for the reason that he'd never fought in real life, and the interface adapted itself to him.Will Hagen be able to use it right? And will it help him to crawl out of the dreary pit of his existence?

Video game lover Josh Baxter knows that seventh grade at a new school may be his hardest challenge yet, but he's not afraid to level up and win! Josh Baxter is sick and tired of hitting the reset button. It's not easy being the new kid for the third time in two years. One mistake and now the middle school football star is out to get him. And Josh's sister keeps offering him lame advice about how to make friends, as if he needs her help finding allies! Josh knows that his best bet is to keep his head down and stay under the radar. If no one notices him, nothing can touch him, right? But when Josh's mom sees his terrible grades and takes away his video games, it's clear his strategy has failed. Josh needs a new plan, or he'll never make it to the next level, let alone the next grade. He's been playing not to lose. It's time to play to win.

Emotional Intelligence has been a topic of interest since 1990, however, many managers, leaders and people alike, fail to understand how this concept can transform their daily lives. Traditionally, to undersatnd the concept of Emotional Intelligence it would take a good 200-300 pages, long gone are those days. Level Up is the new solution, a business book that gets to the point, and presents the major areas of EI with teeth. Since we spend much of our time dealing with others, it would be nice to read a condensed version of EI as fast as it would be to prepare a light dinner. Level Up is the leadership book you can sit down with a cup of coffee and read in one setting. After you are done reading, you are challenged to "Level Up" and rise to the occasion. Bully leadership is an outdated concept and as a result this type of book is long overdue. Be apart of the new generation of leadership, "Level Up" will get you there.
