Market-leading ADVERTISING, PROMOTION, AND OTHER ASPECTS OF INTEGRATED MARKETING COMMUNICATIONS, 9th Edition discusses all aspects of marketing communications, from time-honored methods to the newest developments in the field. Comprehensive treatment of the fundamentals focuses on advertising and promotion, including planning, branding, media buying, sales, public relations, and much more. Emerging topics get special attention in this edition, such as the enormous popularity of social media outlets, online and digital practices, viral communications, and personal selling, along with all of their effects on traditional marketing. Revised to make ADVERTISING, PROMOTION, AND OTHER ASPECTS OF INTEGRATED MARKETING COMMUNICATIONS, 9th Edition the most current I.M.C. text on the market, chapters address must-know changes to environmental, regulatory, and ethical issues, as well as Marcom insights, place-based applications, privacy, global marketing, and of course, memorable advertising campaigns. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Data Science is booming thanks to R and Python, but Java brings the robustness, convenience, and ability to scale critical to today’s data science applications. With this practical book, Java software engineers looking to add data science skills will take a logical journey through the data science pipeline. Author Michael Brzustowicz explains the basic math theory behind each step of the data science process, as well as how to apply these concepts with Java. You’ll learn the critical roles that data IO, linear algebra, statistics, data operations, learning and prediction, and Hadoop MapReduce play in the process. Throughout this book, you’ll find code examples you can use in your applications. Examine methods for obtaining, cleaning, and arranging data into its purest form Understand the matrix structure that your data should take Learn basic concepts for testing the origin and validity of data Transform your data into stable and usable numerical values Understand supervised and unsupervised learning algorithms, and methods for evaluating their success Get up and running with MapReduce, using customized components suitable for data science algorithms

Your Guide to the 10 Best of Everything in Seoul Discover the best of everything South Korea's capital city has to offer with the essential DK Eyewitness Top 10 Travel Guide Seoul. Top 10 lists showcase the best places to visit in Seoul, from Dongdaemun market to the grand royal palace of Gyeongbokgung. Seven easy-to-follow itineraries explore the city's most interesting areas - from the arty district of Insadong to Bukhansan National Park - while reviews of the best hotels, shops and restaurants in Seoul will help you plan your perfect trip.

You know what happens when bad boys get what they wish for? Everything. . . New York Times Bestselling Author Lori Foster Playing Doctor Attitude makes a huge difference in bed. It could be Axel Dean's motto. The sexy physician likes his women with sensual moxie, and Libby Preston definitely seems to fit that bill. There's that naughty grin. That hot bod. Her eager kisses and cheeky insults. Her. . .admitted virginity. Whoa. Okay, cue cold shower. Axel may not be an honorable man, but he has his limits. Except Libby won't take no for an answer. She's determined to have someone show her what she's been missing, and suddenly, Axel can't bear to think of Libby playing doctor with anyone else. . . USA Today Bestselling Author Erin McCarthy The Lady of the Lake Pro baseball player Dylan Diaz is pretty sure he's going to hell. When you rescue a drowning woman from a lake your first thought should be, "Are you okay?" not, "Can I make mad, passionate love to you?" But the minute sputtering kindergarten teacher Violet Caruthers is on Dylan's boat, that's all he can think about. Maybe it's the potent combo of a nun's personality inside a stripper's body. Maybe it's the way she drives him crazy with desire and laughter. Or maybe, Dylan's finally found what's been missing in his life, and he's not about to let go. . .

Katrina works in her grandmother's coffee shop in a small town in Washington State, which isn't exactly the coolest job, given that it's an old-world Scandinavian coffee shop rather than the ultra hip Java Hut next door. One morning, when she gives a free cup of coffee and muffin to a homeless guy sleeping out behind the shop, this random act of kindness turns her life upside down. She soon learns that the homeless guy is actually a teenage guardian angel intent on returning the favor. Fame and fortune seem like the obvious requests, but after two botched wishes, Malcolm knows Katrina is hiding something from him. But how can she tell him the truth, when her heart's desire has become Malcolm himself?

THE REMARKABLE AND INSPIRING TRUE STORY OF ONE GUY WHO TRANSFORMED HIS UNCERTAINTY ABOUT THE FUTURE INTO ACTION A year and a half after he graduated from college, Sean Aiken found himself struggling to answer the question “What should I do with my life?” His mother suggested teaching. His older sister told him to

apply for an entry-level corporate position. His father said, “It doesn’t matter what you do, just make sure it’s something you’re passionate about.” Taking his father’s advice to heart, Sean created the One-Week Job Project and launched himself on an epic journey to find his passion. His goal: to work fifty-two jobs in fifty-two weeks. After the launch of his website, oneweekjob.com, the offers began pouring in. Sean’s first gig was—literally—jumping off a bridge, as a bungee operator in British Columbia. From there he traveled across Canada and the United States, reinventing himself as a firefighter, an aquarium host, a radio DJ, a martial arts instructor, an NHL mascot, and a snowshoe guide. During the course of his seven-day stints, from a Florida stock-trading floor to a cattle ranch in the wilds of Wyoming to a real estate office in Beverly Hills, Sean found time to make new friends and even fall in love. Whether choosing a spring fashion line, brewing beer, or milking a cow, Sean continued to ask himself and others about what success really means and how we find happiness—all while having the adventure of his life. Inventive and empowering, witty and wise, The One-Week Job Project is a book that will give you the courage to follow your passion. Or, as Mark Twain said, “Explore. Dream. Discover.”

Based on the successful Baby Owner's Manual, The Baby Owner's Maintenance Log presents a refreshing alternative to traditional sugar-sweet baby journals. Hip parents can record all major milestones and measurements in these pages, including the arrival of the unit, fuel preferences and speech activation. Spiral binding, hilarious illustrations and a bound-in envelope for keepsakes make this guided journal a great shower gift.

The eighth edition of Shimp's market-leading INTEGRATED MARKETING COMMUNICATIONS IN ADVERTISING AND PROMOTION, International Edition fully integrates all aspects of marketing communication. While continuing to focus on the time honored IMC methods, the text reflects new academic literature and practitioner developments in the field. Some reorganization along with comprehensive treatment on the fundamentals of advertising and promotion are the focus of the revision. Changes include earlier coverage of new brands (ch. 3), the latest in various forms of Internet advertising (ch. 13), a new chapter (18) on PR and word-of-mouth management, and expanded coverage environmental issues regarding global warming and sustainability in a newly-organized ethics chapter (21).
