INCREASE YOUR WRITING POWER THROUGH JOURNALING.

For years I've been telling friends about the therapeutic powers of the act of writing. Now at last I have a book that I can recommend.—Judith Guest, author of Ordinary People

Story is the heart of language. Story moves us to love and hate and can motivate us to change the whole course of our lives. Story can lift us beyond our individual borders to imagine the realities of other people, times, and places. Storytelling — both oral tradition and written word — is the foundation of being human. In this powerful book, Christina Baldwin, one of the visionaries who started the personal writing movement, explores the vital necessity of re-creating a sacred common ground for each other's stories. Each chapter in Storycatcher is carried by a fascinating narrative — about people, family, or community — intertwined with practical instruction about the nature of story, how it works, and how we can practice it in our lives. Whether exploring the personal stories revealed in our private journals, the stories of family legacy, the underlying stories that drive our organizations, or the stories that define our personal identity, Christina's book encourages us all to become storycatchers — and shows us how new stories lay the framework for a new world.

Yet in Christ Jesus, we can find joy and peace even in the midst of difficult circumstances. But that's only possible when our focus shifts from those circumstances to the One who promises to be our strength ... our hope. That's where praise comes in. We all face struggles. Hard times will come. When it does is, we often wonder, "How can I praise God in the middle of this mess?" It's a question I've asked. Maybe you have too. Because praising God comes easy during life's grand moments. Yet, in the difficult ones, glorifying Him can just as easily be forgotten. However, that's precisely the time we need to worship! God deserves praise. God commands praise. Christians need to praise! Reflecting on God's unchanging nature offers a reminder of His faithfulness when storms hit. Singing hymns of truth provides an oasis when you find yourself in the desert. Remembering the promises of God brings daily challenges into perspective. Begin to gain greater peace as you practice praising God with this unique gift book. Two additional sections in "Everyday Praise" will further immerse you into this idea of praise. The first pulls out each reminder phrase for ease of memorization. While the second lists 31 additional Bible verses to incorporate into your daily praise habit.Move a little further along the path of peace and contentment as you open the pages of "Everyday Praise," and begin exploring and cultivating the habit of daily praise.(A download link to a free companion journal is also provided in the book.)
