As a series of mysterious drowning deaths terrorizes a small summer resort community on Long Island's Shinnecock Bay, local college professor Deacon Kane, recovering from the accidental drowning death of his only son with the help of too much alcohol and a messy love affair with a married woman, finds himself the prime suspect in the crimes. Roman religion has long presented a number of challenges to historians approaching the subject from a perspective framed by the three Abrahamic religions. The Romans had no sacred text that espoused its creed or offered a portrait of its foundational myth. They described relations with the divine using technical terms widely employed to describe relations with other humans. Indeed, there was not even a word in classical Latin that corresponds to the English word religion. In *The Gods, the State, and the Individual*, John Scheid confronts these and other challenges directly. If Roman religious practice has long been dismissed as a cynical or naïve system of borrowed structures unmarked by any true piety, Scheid contends that this is the result of a misplaced expectation that the basis of religion lies in an individual's personal and revelatory relationship with his or her god. He argues that when viewed in the light of secular history as opposed to Christian theology, Roman religion emerges as a legitimate phenomenon in which rituals, both public and private, enforced a sense of communal, civic, and state identity. Since the 1970s, Scheid has been one of the most influential figures reshaping scholarly understanding of ancient Roman religion. *The Gods, the State, and the Individual* presents a translation of Scheid's work that chronicles the development of his field-changing scholarship.

Nashville's first professional baseball team was organized in 1885, but the city's baseball roots can be traced to 1862, as Union soldiers camped along the Cumberland River taught the Northern game to the citizens. The Seraphs, Blues, Tigers, Americans, and Volunteers made their home in Athletic Park, later renamed Sulphur Dell by Grantland Rice during his tenure as a local sportswriter. Including the Negro League Elite Giants and a two-year existence by the Nashville Xpress in the 1990s, Baseball in Nashville traces those roots from the early teams to Herschel Greer Stadium and the Nashville Sounds' Pacific Coast League Championship in 2005.

Based on a true story, this debut Civil War novel follows a Southern plantation woman's journey of transforming her home into a hospital for the war. This debut novel is based on the true story of Carrie McGavock. During the Civil War's Battle of Franklin, a five-hour bloodbath with 9,200 casualties, McGavock's home was turned into a field hospital where four generals died. For 40 years she tended the private
