Living the Life Unexpected: 12 Weeks to Your Plan B for a ...

Living the Life Unexpected is written for those women who are ‘ without children by circumstance ’ ; that is, they may want to be parents but for various external reasons, often medical, cannot be. Other Than Mother is written for those who are ‘ without children by choice ’ : that is, they are able to procreate but have decided not to. The authors of both books write from their own experience; and their stories form a large part of, and inform the approach of, their respective books.
