Wow all this new info coming out about ML is making me more excited about holding onto my T2i and not upgrading to the 7d for more money....I have yet Magic Lantern for T2i/550D - Feature Set And User Manual - Page 2 at DVinfo.net

Magic Lantern for T2i/550D - Feature Set And User Manual ... This is not helped by the K-7 operating manual which is rather small, inevitably thick and crammed with around 6pt 'tiny' type. The paperback size Magic Lantern guide repeats much of the Pentax manual but by using hints and tips it 'interprets' topics, explaining why a particular feature is there and when and how it might be used.

I have a number of Magic Lantern camera guide books for various cameras that I have had in the past. As with the others, this one reinforces and expands on what is in the Canon manual supplied with the camera. However, I noticed that in some places where it mentions a specific feature it will say afterwards "(for more information see Page xxx)".
