Marrying The Mistress Joanna Trollope
Marrying the Mistress by Joanna Trollope is about divorce and the ripples of devastation that it can cause in a family. My daughter came in while I was reading this and asked what was the matter. I told her the plot to the book and so she just said, "So, you’re rage reading." That about sums it up.

**Marrying the Mistress by Joanna Trollope - Goodreads**

Joanna Trollope shows amazing insight into the way families interact with one another. In this book, a man who has been married for forty odd years tells his wife he is leaving her to marry the much younger woman with whom he has had an affair for seven years. One would expect the trouble to come only between the man and his wife but not so.
