On the Mockingcast this past week, we talked a bit about our favorite books of 2017. For me, Russell Brand's Recovery was right up there, in part because it's so funny but mainly because it cuts through so much of the baloney (read: reactivity) surrounding the G-O-D question these days and grounds it in the reality of lived experience and desperation.

The Times's Michiko Kakutani revealed the literary surprise of the year in her review of Harper Lee's second novel, "Go Set a Watchman," on Friday: Atticus Finch, a protagonist of both the book and its iconic companion, "To Kill a Mockingbird," has gone from a champion of social justice to an outright racist.

Church basements are curious places. Playing host to the vibrant world of 12 Step Recovery, they witness the sort of healing and redemption that would make those on the ground floor proud, and maybe even envious. Yet despite the Church and Alcoholics Anonymous both being in the business of bringing "hope to the hopeless," the two worlds seldom seem to interact. Packed with vivid illustrations, good humor, and practical wisdom, Grace in Addiction attempts to bridge this divide and carry the unexpected good news of AA out of the basement and into the pews--and beyond! Recommended for anyone who has struggled with addiction, knows someone who has struggled with addiction, or spent any time living and/or breathing.

Voted America's Best-Loved Novel in PBS's The Great American Read Harper Lee's Pulitzer Prize-winning masterwork of honor and injustice in the deep South—and the heroism of one man in the face of blind and violent hatred One of the most cherished stories of all time, To Kill a Mockingbird has been translated into more than forty languages, sold more than forty million copies worldwide, served as the basis for an enormously popular motion picture, and was voted one of the best novels of the twentieth century by librarians across the country. A gripping, heart-wrenching, and wholly remarkable tale of coming-of-age in a South poisoned by virulent prejudice, it views a world of great beauty and savage inequities through the eyes of a young girl, as her father—a crusading local lawyer—risks everything to defend a black man unjustly accused of a terrible crime.

Data Never Dies. But People Do. Alex Vane was once a top investigative journalist. Now he peddles celebrity gossip and clickbait listicles, watching from a distance as his wife moves on with her life - without him. Alex's past catches up with him when he learns that an old source,

Read PDF Mocking Bird Nook Anonymous

James Stacy, has been killed in a random mass shooting. But James left Alex one last scoop: a 50-year-old hard drive that may contain a secret worth killing for...and the name of the one person who can help him access the data. That person is Quinn Rivers, a paranoid and reclusive computer expert who believes the CIA is tracking her every move. And she may be right. When Alex shows up at her door with the hard drive, armed operatives are right behind him. Now Alex and Quinn are on the run. There is no one to trust, nowhere to hide, and nothing but the hard drive to prove that James Stacy's death wasn't random at all.

FIND THE SOURCE. BREAK THE STORY. STAY ALIVE. ONE YEAR AFTER the 9/11 attacks, Alex Vane--a brilliant, fitness-obsessed reporter for The New York Standard--wants nothing more than to break into the flashy world of TV news. But when he uncovers the scoop of a lifetime, his tightly controlled world is rocked: his editor buries his story, a source turns up dead, and Alex finds himself at the center of a violent media conspiracy. AS HE RECEIVES TIPS from a mysterious source, Alex enlists the help of a captivating professor, Camila Gray. Aided by an Internet genius, a billionaire's sexy widow, and a washed-up sports reporter, Alex and Camila discover a \$500-million secret that could derail the largest media merger in history. IT'S A SECRET THAT unearths dark memories from Alex's past. It's a secret that leads back to the morning of 9/11. And it's a secret that could get them both killed. IN HIS DEBUT THRILLER, A.C. Fuller brings you a young journalist chasing the biggest story of his career--from the courtrooms of New York City to the beaches of Hawaii, from a crowded newsroom to a lavish boardroom at the top of a media empire.

When Lucy, Elena, and Michael receive their summer reading list, they are excited to see *To Kill A Mockingbird* included. But not everyone in their class shares the same enthusiasm. So they hatch a plot to get the entire town talking about the well-known Harper Lee classic. They plan controversial ways to get people to read the book, including re-shelving copies of the book in bookstores so that people think they are missing and starting a website committed to "destroying the mockingbird." Their efforts are successful when all of the hullabaloo starts to direct more people to the book. But soon, their exploits start to spin out of control and they unwittingly start a mini revolution in the name of books. *I Kill the Mockingbird* by Paul Acampora is a middle grade novel perfect for fans of *To Kill a Mockingbird* and *Go Set a Watchman*. This title has Common Core connections. "The banter among the three whip-smart friends would make John Green proud. . . . You won't have to hide any copies of this to create demand." —The Bulletin "Fans of Janet Tashjian's *The Gospel According to Larry* series will enjoy this look at how the power of creativity and the internet can cause a cultural movement. . . . Acampora's novel is for lovers of literature, especially how the classics work in the current moment." —VOYA

Young Cassie Logan endures humiliation and witnesses the racism of the KKK as they embark on a cross-burning rampage, before she fully understands the importance her family attributes to having land of their own.

Pentecost on Mockingbird Lane is a collection of 51 sermons preached at the 2015 National Festival of Young Preachers in Dallas, Texas (at Perkins School of Theology on Mockingbird Lane).

entertaining interactive guide to reading, featuring voicemails, literary Easter eggs, checklists, and more, from the creators of the popular multimedia project. The Call Me Ishmael Phone Book is an interactive illustrated homage to the beautiful ways in which books bring meaning to our lives and how our lives bring meaning to books. Carefully crafted in the style of a retro telephone directory, this guide offers you a variety of unique ways to connect with readers, writers, bookshops, and life-changing stories. In it, you'll discover... -Heartfelt, anonymous voicemail messages and transcripts from real-life readers sharing unforgettable stories about their most beloved books. You'll hear how a mother and daughter formed a bond over their love for Erin Morgenstern's *The Night Circus*, or how a reader finally felt represented after reading Gene Luen Yang's *American Born Chinese*, or how two friends performed Mary Oliver's *Thirst* to a grove of trees, or how Anne Frank inspired a young writer to continue journaling. -Hidden references inside fictional literary adverts like Ahab's *Whale Tours* and Miss Ophelia's *Psychic Readings*, and real-life literary landmarks like Maya Angelou City Park and the Edgar Allan Poe House & Museum. -Lists of bookstores across the USA, state by state, plus interviews with the book lovers who run them. -Various invitations to become a part of this book by calling and leaving a bookish voicemail of your own. -And more! Quirky, nostalgic, and full of heart, *The Call Me Ishmael Phone Book* is a love letter to the stories that change us, connect us, and make us human.

This book is an experiential analysis of over twenty modern religious/spiritual groups. The book is divided into two generic segments, inclusive of a tri-perspective experiential analysis using a variety of cult danger rating scales, and a more personal experiential description of the author's involvement in these groups, written in stream of consciousness essay form. The groups explored include controversial religious organizations such as Scientology and The Unification Church, as well as lesser known religious groups such as *Conversations with God* and *Avatar*, and also new age retreat centers such as Omega Institute for Holistic Studies and Kripalu Center for Yoga and Health. The author describes both the dangers and benefits of various groups, and based upon his own experiences is able to rate these groups on a cult danger vs. spiritual benefits scale on a gradient from "high cult danger" to "favorable spiritual group."
