Revenue in 2016 fell to only \$53 billion, hurting every major publisher as their efforts to gain online income fell far short of the goal. [3] The decline in advertising revenues affected both the print and online media as well as all other mediums; print advertising was once lucrative but has greatly declined, and the prices of online advertising are often lower than those of their print precursors.

Newspaper - Wikipedia

The law relating to the publication of books, journals, newspapers, magazines and their electronic equivalents is, I think, one of the most interesting areas of legal study. Although the core principles of publishing law are enduring, change is a constant. The manifestation of the principles of publishing law in legislation and case law reflects both the march of technology
