

Nikon CoolPix AW130 16MP Digital Camera

It's certainly quiet and the lens supports full-time manual override ... I paired the 300mm with the HD DA 1.4x AW AF teleconverter. It narrows the angle of view to 420mm and the maximum aperture ...

Pentax SMC DA* 300mm F4 ED[IF] SDM

It's certainly quiet and the lens supports full-time manual override ... I paired the 300mm with the HD DA 1.4x AW AF teleconverter. It narrows the angle of view to 420mm and the maximum aperture ...
