Oracle SOA Suite 11g Handbook is thick pile
of paper with well thought and organized
content. This book isn't full blown "explain
it all" with 100 pages of installation
instructions (they are as extras in internet)
and way too much pictures (they are also in
internet), but it's more of excellently
distilled and well balanced textbook which
has good mixture of theory and practical
product ...

Oracle Fusion Middleware

Oracle SOA Suite enables system developers to set up and manage services and to orchestrate them into composite applications and business processes. With Oracle SOA Suite's hot-pluggable components, organizations can easily extend and evolve their architectures instead of replacing existing investments.
