I ' d just shot an angel in the face.I made my way into the foyer and sat down on the stairs. I glanced up at the big old grandfather clock. It was going on ten. My folks would be home soon.

Bad angels take flight in this Southern paranormal mystery from the author of the Explorers series who ' s " always a treat to read " (Kelley Armstrong, # 1 New York Times –bestselling author of City of the Lost). They come out of the sky and take you. Everyone knows that. After six years of " angels " coming out of the sky and taking people from her town, sixteen-year-old Riley Carver has just about had it living with the constant fear. When one decides to terrorize her in her own backyard, it ' s the final straw. Riley takes her mother ' s shotgun and shoots the thing. So it ' s dead. Or . . . not? In place of the creature she shot, is a guy. A really hot guy. A really hot alive and breathing guy. Oh, and he ' s totally naked. Not sure what to do, she drags his unconscious body to the tool shed and ties him up. After all, he ' s an angel and they have tricks. When he regains consciousness, she ' s all set to interrogate him about why the angels come to her town, and how to get back her best friend (and almost boyfriend) Chris, who was taken the year before. But it turns out the naked guy in her shed is just as confused about everything as she is. He thinks it ' s 1956. " A refreshingly different take on angel mythology with a funny, gutsy, shotgun-toting heroine and a rivetingly sexy hero. Set in an eerie deep south town, Outcast is a spooky, spirited, compulsively readable story—charged with wit, wisdom, and bittersweet romance. " —Lesley Livingston, author of the international-bestselling Wondrous Strange series

An all-new official, original novel from the twisted world of the hit horror video game, Bendy and the Ink Machine!

A shy boy's life is sent spiraling into adventure after a fateful day when he discovers a pig in a small hat and returns it to its home at the mysterious Explorers Club.

Enter the mind of Joey Drew in this exclusive memoir, sure to captivate fans of the hit horror video games Bendy and the Ink Machine and Bendy and the Dark Revival!

Often mistaken for a boy because of her haircut and name, Alex Morningside is an inquisitive girl of ten-and-a-half who attends the prestigious Wigpowder-Steele Academy. Unfortunately, though she loves to learn, Alex just can ' t bring herself to enjoy her classes. Her teachers are all old and smelly and don ' t seem to know about anything that has happened in the world the past thirty years, and her peers...well they are quite simply ridiculous. Luckily for Alex, the new school year brings an exciting new teacher. Mr. Underwood makes lessons fun and teaches her how to fence. But Mr. Underwood has a mysterious family secret - the washbuckling and buried treasure kind - and not everyone is glad he has come to Wigpowder-Steele. When the infamous pirates of a ship called the Ironic Gentleman kidnap Mr. Underwood, Alex sets off on a journey to rescue him, along the way encountering a cast of strange and magical characters, including the dashing and sometimes heroic Captain Magnanimous, Coriander the Conjurer, the Extremely Ginormous Octopus, and the wicked Daughters of the Founding Fathers ' Preservation Society.

The third book in the Explorers series has more mystery, more bravery, more danger than ever before! The perfect read for fans of Chris Grabenstein and The Mysterious Benedict Society! Helen needed a body to be with her beloved. Jenny had to escape from hers before her spirit was broken. It was wicked, borrowing it, but love drives even the gentlest soul to desperate acts.And Helen, who has returned to help Jenny, finds herself trapped, haunting the girl she wished to save. Jenny and Billy's love story begins out-of-body and continues into the tumultuous realm of the living, where they are torn apart even as they slowly remember falling in love.

There will be three. Kin of you kin.... Who hold the Power of the stars In their paws. A secret prophecy shapes the lives of Firestar's grandchildren, but only one of the three knows about it. Jaypaw is captivated by the power it promises, and he believes the key to that power may lie buried in the distant past -- with the ancient cats who once walked these woods and now prowl through his dreams. His search for answers leads him toward the mountains -- the home of the Tribe of Rushing Water. Lionpaw and Hollypaw feel drawn to the mountains too, for different reasons. But the mountains hide secrets as well as answers, and if the three cats find a way to get there, they may discover more than they ever expected.

Based on the Peabody Award–winning podcast, this tech-filled adventure series pits intrepid Mars Patel and his outcast friends against a brilliant, enigmatic billionaire as they race to figure out why kids are disappearing from their school. Mars Patel ' s friend Aurora has disappeared! His teachers are clueless. His mom is stressed out about her jobs. But Mars refuses to give up—after all, his own dad disappeared when Mars was a toddler, before he and Ma moved to Puget Sound from India. Luckily, Mars has a group of loyal friends eager to help—smart Toothpick, strong and stylish JP, and maybe-telepathic Caddie. The clues seem to point toward eccentric tech genius (and Mars ' s hero) Oliver Pruitt, whose popular podcast now seems to be commenting on their quest! But when the friends investigate Pruitt ' s mysterious, elite school, nothing is as it seems—and anyone could be deceiving them. Slick science, corporate conspiracies, and an endearingly nerdy protagonist make this first book in the series a fresh, exciting sci-fi adventure.
