Master storyteller and bestselling author Jodi Picoult teams up with Jake van Leer and Ellen Wilber to bring you an original musical, sure to breathe life into any middle-school and high school drama curriculum. Part Shakespearean comedy and part Fractured Fairy Tales, *Over the Moon* is all fun. Narrated by a cross-dressing Hairy Godmother (no, that's not a typo), the story begins when Luna (the moon) descends to a small town on earth disguised as a boy, and sets out to help humans find love. But Luna herself falls in love with Prince Jack... who's in love with Felicity... who has fallen for Luna. On the way to happily ever after are a steady stream of clever puns and topical jokes about American Idol, universal health care, Bernie Madoff, and just about every fairy tale creature you've ever heard of! With nineteen original hum-worthy songs and plenty of spots to tailor the play to any city or town, *Over the Moon* is the perfect choice for every school looking to perform an energetic show that's fresh, funny, and timeless.

As a young schoolboy, David Essex dreamed of becoming a professional footballer, and was

signed up by his beloved West Ham United, but as a teenager he developed a passion for music which set him on a very different path, and ultimately led to superstardom. It wasn't, however, an easy start. Scraping a living on the edges of show business was a hard slog, and he endured many disappointments. Then aged 23, he went along to an audition for a new musical called Godspell and won the role of Jesus that was to shoot him to fame. Within a year he was starring in the smash hit film, *That'll Be the Day*, and had written and recorded his first number one single 'Rock On'. It was the start of Essex Mania, and a long journey of undreamt of adventure. From Godspell to *EastEnders* it's been an amazing life. And here is David's full incredible story – in his own words.

Alfie lives off the coast of England. Merry lives in New York City. Until Merry and her mother set sail on the Lusitania for England, where Merry's father is recuperating from a war injury. People told them not to go, hearing rumors that the Lusitania might be carrying munitions. But they are desperate to be reunited with Merry's father. Alfie and his father find a lost girl in an abandoned house on a small island. The girl doesn't speak, except to say what sounds like "Lucy." Alfie's mother nurses her back to health. The others in the village suspect the unthinkable: Lucy is actually German—an enemy—because she's found with a blanket with a German tag. Told from Alfie and Merry's points of view, this exquisite novel tells of friends,
