Foundations of
Macroeconomics is structured to encourage learning by doing. Its Checklist/Checkpoint system provides a practice-oriented framework, consisting of the following elements:

- Checklists at the beginning of each chapter preview the 3—5 key ideas students need to know. Each chapter is

them to think like
economists from the first
week of class. Economics
provides a serious,
analytical approach to
the discipline by
introducing the main
ideas and then
developing those ideas
with the latest research,
policy, and data.
